

REQUEST FOR FEDERAL FINANCIAL AID PROBATION - UNDERGRADUATE

STUDENT NAME: (last) _____ (first) _____

STUDENT UID# _____

This form gives you the opportunity to appeal the loss of Federal aid eligibility for failure to make Federal Satisfactory Academic Progress (SAP) due to unusual circumstances. If your request is approved you will be granted *Financial Aid Probation*. If your request is denied, you will not be eligible to receive federal financial aid until you regain SAP.

DO NOT SUBMIT THIS FORM UNLESS YOU WISH TO RECEIVE FEDERAL FINANCIAL AID (i.e. Pell Grant, SEOG, Direct Loans, PLUS Loans, Perkins Loans, or Work Study)

There is a limit to the maximum number of times to receive federal financial aid probation:

Baccalaureate – Maximum of two times, each lasting no longer than three consecutive semesters.

Associate – One time only, lasting no longer than two semesters.

Certificate – One time only, lasting no longer than one semester

Your appeal must include the following:

1. The reason(s) why you were unable to attain Federal Satisfactory Academic Progress. Examples include death or illness of an immediate family member, difficulties in a program of study requiring you to change your major, personal/emotional difficulties, or you had a serious illness.

If your reason includes a serious illness, you must provide proof such as a doctor's note, hospital record, etc. Medical reasons may be evaluated by the RIT Student Health Center to determine if the medical reason warrants consideration.

2. What steps you will take in order to regain Federal SAP.
3. You **MUST** submit a **Federal SAP Action Plan form**. This plan will show what you will academically accomplish each semester to regain Federal SAP. You must meet or exceed the goals outlined in the plan in order to continue to receive federal financial aid. **Contact the appropriate individual within your primary academic unit to arrange an appointment for the creation of your Federal SAP Action Plan.**

It is your responsibility to provide complete documentation supporting your request. You may submit your request in writing or via an attachment from your RIT email at the contact information below. Your request cannot be reviewed until we have this document, your Federal SAP Action Plan from the responsible individual within your primary academic unit, and any supporting documentation. Your Federal SAP Action Plan **MUST** accompany this Financial Aid Probation request. **If we do not receive your request for Financial Aid Probation within three weeks from the start of the next semester you are enrolled, any federal aid awarded will be rescinded for the semester(s) you are not making SAP.**

Failure to follow these guidelines will result in automatic denial and thus the loss of federal aid eligibility. We will respond to you with the result of your request in writing to your RIT email account or your permanent home address on file with the Registrar.

Please complete all the sections on the following page. Then sign, date and return all pages of this document, including your Federal SAP Action Plan and any other supporting documentation to our office. You may mail us the information to the address above or email us (only from your RIT email account) to ritaid@rit.edu or ntidaid@rit.edu.
