Dear Ms. Rogers:

It was most pleasant to meet with you this past Wednesday. In addition to experiencing a very enjoyable and informative interview, I came away very enthusiastic about the position you are seeking to fill. After meeting Susan, I can certainly understand that her leaving will create a void in your office setting. She exudes a rare charm and I am humbled to be considered a viable candidate to replace her.

The tour was especially great. I do appreciate your having extended that added favor to the interview. I am, of course, looking forward to hearing from you in a positive way. Being part of your office and the management team is, indeed, an enticing prospect. Please be assured that I am ready for any “start date” you select.

Very Sincerely,

Jane Swift

My enthusiasm for the position and my interest in working for AES were strengthened as a result of the interview. I think my education and lab experiences fit nicely with the job requirements, and I'm sure that I could make a significant contribution to the firm.

I want to reiterate my strong interest in the position and in working with you and your staff. You provide the kind of opportunity I seek. Please call me at (xxx) xxx-xxxx if I can provide you with any additional information. Again, thank you for the interview and your consideration.
