

## Redesign Your Room Directions

Name: \_\_\_\_\_

Grades: 6-8

**Directions:** Print and use this worksheet **OR** you can use the directions in the slideshow!

### Materials Required:

1 piece of paper (<https://www.lucidchart.com/> is an online tool that also works and you can get very creative!) , a pencil or pen, and your imagination!

Directions:

1. Grab your piece of paper and draw your room!
2. Add some more items that you wish you had in your room!
  - a. Things could be a TV, a fish tank, playstation, and anything else you can imagine.
  - b. Feel free to move things around and rotate them to make them fit.
  - c. Think about the space you need around items to use them! If there isn't enough space then leave it out!
1. Your room will be just how you want it! If you do this activity with **ONLY** the items in your room, maybe afterward you can change it for real!
