

RIT Solidworks 2020 Community for Students Personal Usage/ Non-Commercial Use

1. Go to <https://www.solidworks.com/support/community-download>
2. Fill out the Community Download Form

The screenshot shows the SolidWorks Community Download Instructions page. At the top is a red navigation bar with the SolidWorks logo and links for Products, Solutions, Community, Success, Support, Buy, and a Try now button. The main heading is "SOLIDWORKS Community Download Instructions". Below this is a paragraph of instructions and a note about the privacy policy. The form is divided into two sections: "Contact Information" and "Product Information". The "Contact Information" section has fields for First Name, Last Name, Email (pre-filled with abc1234@rit.edu), and a dropdown menu for Student status. The "Product Information" section has radio buttons for "I already have a Serial Number that starts with 9020" (Yes/No) and "Academic Version" (2021-2022/2020-2021). A "Request Download" button is at the bottom right.

SOLIDWORKS Community Download Instructions

Download instructions for qualified educators, students, military, sponsored organizations, makers, and hobbyists.

Please enter your information in the fields below. Note that all fields are required. Please enter accurate information, including email address. Download instructions and other important information may, depending on the type of license selected, be emailed to the address you provide.

Please refer to DS SOLIDWORKS Corp.'s privacy policy link below to understand how your data may be used.

NOT FOR COMMERCIAL USE.

SOLIDWORKS Community Access Initiative

Dassault Systemes SolidWorks Community Access Eligibility and Terms of Use Agreement.

(Please read this agreement and ACCEPT or DECLINE its terms and conditions at the bottom of the page.)

I "Community Access," "Student Access" or "Student Access product" refers to Student Standard (formerly known as the Student Design Kit/SDK), Student Premium (formerly known as the Student Engineering Kit/SEK), or 60-Day Trial version of SOLIDWORKS software.

Eligibility for SOLIDWORKS Community Access Licenses:

SOLIDWORKS Community Access licenses available at this website are provided only to:

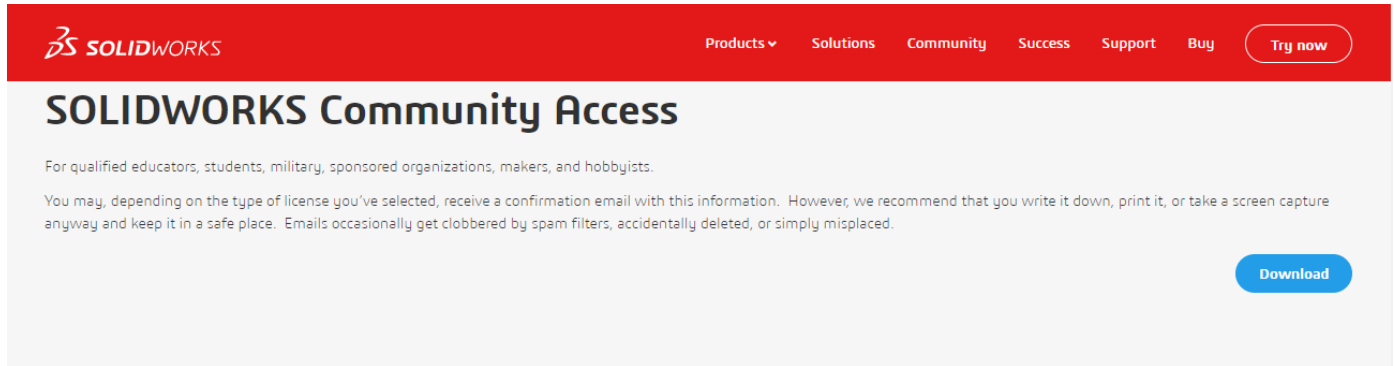

Students and Educators at academic institutions that have been authorized by Dassault Systemes SolidWorks Corporation ("DS SolidWorks") to offer SOLIDWORKS Community Access; and Students and Educators who have received Student Access for trial purposes. SOLIDWORKS Community Access also includes makers, hobbyists, military, and sponsored organizations.

RIT Solidworks 2020 Community for Students Personal Usage/ Non-Commercial Use

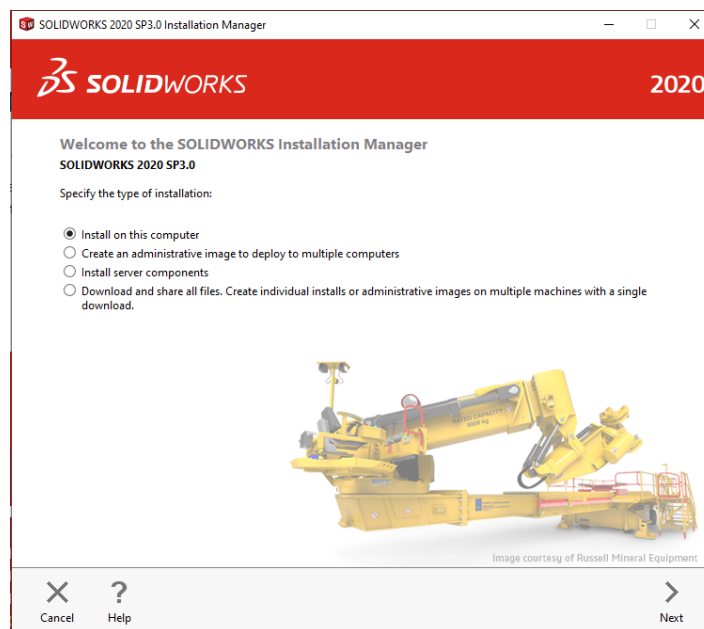

5. After agreeing to the terms, you will be able to download and install Solidworks

6. Once Downloaded, run the Solidworks Setup to extract the install files

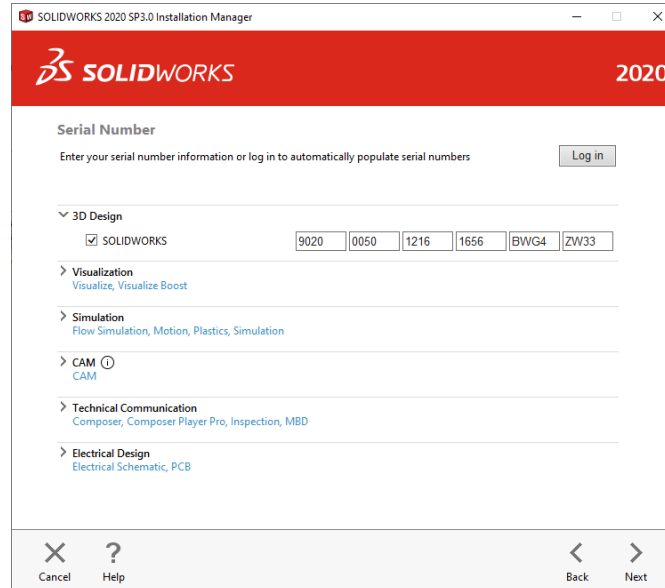

7. The setup should start once the files are extracted. Click on **Install on this computer** and click **Next**

RIT Solidworks 2020 Community for Students Personal Usage/ Non-Commercial Use

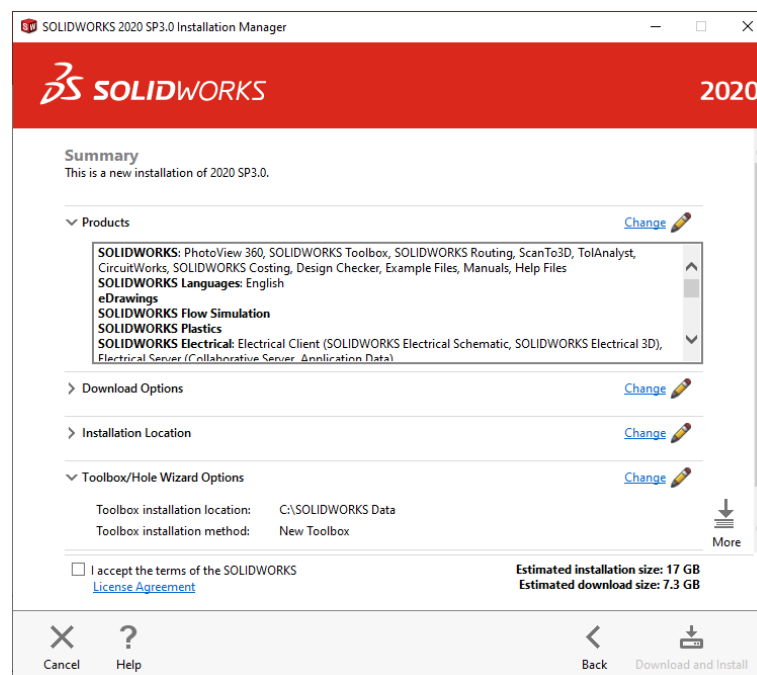

8. Enter the product key: **9020 0050 1216 1656 BWG4 ZW33** and click next.

Note: Only enter the product key under 3D Design (Solidworks). The installer will select the addons that the student license is licensed to utilize.

The screenshot shows the 'Serial Number' screen of the Solidworks 2020 SP3.0 Installation Manager. The window has a red header with the Solidworks logo and '2020'. Below the header, there is a 'Log in' button. The main area is titled 'Serial Number' and contains a text box for entering the serial number. Below this, there are several expandable sections: '3D Design' (checked), 'Visualization' (Visualize, Visualize Boost), 'Simulation' (Flow Simulation, Motion, Plastics, Simulation), 'CAM' (CAM), 'Technical Communication' (Composer, Composer Player Pro, Inspection, MBD), and 'Electrical Design' (Electrical Schematic, PCB). At the bottom, there are 'Cancel', 'Help', 'Back', and 'Next' buttons.

9. Review the install settings, you will need to check the **I accept the terms of Solidworks** box and then click **Download and Install**.

The screenshot shows the 'Summary' screen of the Solidworks 2020 SP3.0 Installation Manager. The window has a red header with the Solidworks logo and '2020'. Below the header, there is a 'Summary' section with the text 'This is a new installation of 2020 SP3.0.' Below this, there are several expandable sections: 'Products' (with a 'Change' button), 'Download Options' (with a 'Change' button), 'Installation Location' (with a 'Change' button), and 'Toolbox/Hole Wizard Options' (with a 'Change' button). The 'Products' section lists: 'SOLIDWORKS: PhotoView 360, SOLIDWORKS Toolbox, SOLIDWORKS Routing, ScanTo3D, TolAnalyst, CircuitWorks, SOLIDWORKS Costing, Design Checker, Example Files, Manuals, Help Files', 'SOLIDWORKS Languages: English', 'eDrawings', 'SOLIDWORKS Flow Simulation', 'SOLIDWORKS Plastics', and 'SOLIDWORKS Electrical: Electrical Client (SOLIDWORKS Electrical Schematic, SOLIDWORKS Electrical 3D), Electrical Server (Collaborative Server, Application Data)'. The 'Download Options' section shows 'Toolbox installation location: C:\SOLIDWORKS Data' and 'Toolbox installation method: New Toolbox'. At the bottom, there is a checkbox for 'I accept the terms of the SOLIDWORKS License Agreement' and a 'More' button. The estimated installation size is 17 GB and the estimated download size is 7.3 GB. At the bottom, there are 'Cancel', 'Help', 'Back', and 'Download and Install' buttons.
