

RIT | Title IX

RIT is committed to providing a safe learning environment, free of harassment and discrimination as articulated in our university policies located on our [governance website](#). RIT's policies require faculty to share information about incidents of gender based discrimination and harassment with [RIT's Title IX](#) coordinator or deputy coordinators when incidents are stated to them directly. The information you provide to a non-confidential resource which includes faculty will be relayed only as necessary for the Title IX Coordinator to investigate and/or seek resolution. Even RIT Offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible.

If an individual discloses information during a public awareness event, a protest, during a class project, or advocacy event, RIT is not obligated to investigate based on this public disclosure. RIT may however use this information to further educate faculty, staff and students about prevention efforts and available resources.

If you would like to report an incident of gender based discrimination or harassment directly you may do so anonymously by using the online [Sexual Harassment, Discrimination and Sexual Misconduct Reporting](#) or anonymously by using the [Compliance and Ethics Hotline](#).

If you have a concern related to gender-based discrimination and/or harassment and prefer to have a confidential discussion, assistance is available from any of RIT's confidential resources (listed below).
