Policies

Advance Notice
Catering for large, complex, or multi-day events should be ordered at least one month ahead of the event date. For smaller events, we normally require a minimum of seven business days to process a catering request. Pick-ups, Boxed/Basket Lunches, and Specialty Cakes may be ordered with less advance notice, but please call our sales office first (585-475-2346) to check for availability.

Service Charge
A 15% service charge is added to most functions, with the exception of Pick Ups/Drop Offs, Boxed Lunches, Sandwich Trays, and Table Draping, which are not assessed a service charge.

Guarantee
For customized menus and groups with more than 300 guests, a final guarantee of attendance is required one week prior to your event. For all other events, we require this information three full business days before your event. This number will be considered a guarantee and is not subject to reduction. Increases to your guarantee are subject to approval and may be assessed additional charges.

Cancellations
Events or items cancelled or changed after the original placing of your order will be subject to all charges directly incurred in the preparation of your event.

On Campus Delivery
The event location must be unlocked and available at least 30 minutes – 2 hours prior to the event start time (depending on the scope of the event) as shown on the event order. The group is responsible for the safe keeping of all Brick City Catering equipment dropped off at the site. Any equipment lost or damaged will be charged at replacement value on your bill.

Off Campus Events
Off campus locations necessitate a $45.00 delivery charge. Events off campus typically are with plastic ware only. If china service is desired, a surcharge will be applied.

Minimums
Events with fewer guests than the minimum will require an additional charge. For groups with 10 to 19 guests, the additional charge is $3.00 per person for meals, or $1.50 per person for breaks. For groups with fewer than 10 guests, the additional charge is $6.00 per person for meals, or $3.00 per person for breaks.

Bars
A temporary New York State Liquor License is required for most events involving alcohol, taking place anywhere other than the RITZ Sports Zone. We are required to apply for one license per bar setup at the event. Each license costs $55.00, and is charged to the sponsoring organization. All bars must be ordered 25 business days prior to event. Please contact our office (585-475-2346) to determine whether a liquor license is needed for your event.

Billing
For internal groups, all charges are billed directly through the accounting department to the specified RIT account number. For external groups, payment is accepted in the form of cash or check, and is due in full within 30 days after you receive your final bill. A copy of your bill will be sent electronically to the contact person.

Please Note
All food, beverages, and centerpieces are property of Brick City Catering. No food can be removed from the catering event unless prior arrangements have been made. For pick up/drop off services, and in instances when prior arrangements have been made for the customer to remove food from the catering event: it is the customer’s responsibility to observe safe food handling procedures and to ensure that food and beverage is maintained at the appropriate temperature. Food that has been left out at room temperature for more than two hours should be disposed of promptly.

Thank you for your cooperation.

All prices are per person unless otherwise noted. All prices are subject to change without notice. Please check our online booking site at http://rit.catertrax.com for the most current pricing information.
