Meal Plans

Residence Halls and RIT Inn

Students assigned to the residence halls or the RIT Inn must select 1 of the 2 meal plans to the left.

Dining Dollars

Dining Dollars are used to purchase perishable and non-perishable groceries and food items only. Available only to students, funds can be used at all RIT Dining locations including vending machines, and a 10% discount is offered at Gracie's. Additionally, food purchases are not charged the New York State 8% sales tax.

Any unused Dining Dollar balances will remain active until graduation or exit from the University. Rollover Dining Dollars are not considered to be an RIT meal plan, do not satisfy the required meal plan policy, and are not subject to the refund schedule.
