## RIT Shuttle Services

Per the parking policy, there cannot be more than 40 daily guest passes issued at one time while classes are in session during the fall and spring semesters. This is in effect from Monday through Thursday between the hours of 8:00am and 4:00pm. Please note that the 40 car policy is campus wide, not based on one particular event. For more information, [click here](#) to visit the RIT Henrietta Campus Event Parking Policy website.

There is a shuttle service available from B Lot. The B Lot Campus Shuttle can accommodate 65 riders simultaneously and runs on a 30-minute loop through campus. See RIT shuttle information below.

Event planners requesting chartered shuttle services will be directed to contact an approved RIT vendor to arrange specific services from B Lot to the event location. [Click here](#) to see a list of RIT approved charter bus companies.
