Occupant Email: _____

Completed By: _____

Date: _____

***Environmental Concerns**

General Information

What is the nature of the problem?

Where is the problem experienced (in one or more locations)?

When was the problem first experienced?

When does it occur or when is it the worst (time of day, day of week, related to certain activities/events)?

Occupant Health Concerns

Symptoms

What kind of symptoms or discomfort are you experiencing?

Are you aware of other people with similar symptoms or concerns? Yes No

If so, what are their names and locations?

Do you have any health conditions that may make you particularly susceptible to environmental problems?

- | | | |
|---|---|--|
| <input type="checkbox"/> contact lenses | <input type="checkbox"/> chronic cardiovascular disease | <input type="checkbox"/> undergoing chemotherapy or radiation therapy |
| <input type="checkbox"/> allergies | <input type="checkbox"/> chronic respiratory disease | <input type="checkbox"/> immune system suppressed by disease or other causes |
| | <input type="checkbox"/> chronic neurological problems | |

Indoor Air Quality Investigation Phase I

Timing

When did your symptoms start?

When are they generally worst?

Do they go away? If so, when?

Have you noticed any other events (such as weather events, temperature or humidity changes, or activities in the building) that tend to occur around the same time as your symptoms?

Spatial

Where are you when you experience symptoms or discomfort?

Where do you spend most of your time in the building?

***Additional Information**

Do you have any observations about building conditions that might need attention or might help explain your symptoms (e.g., temperature, humidity, drafts, stagnant air, odors)?

Have you sought medical attention for your symptoms?

Do you have any other comments?
