STEP 1

Step 1: Contracts and Roommates

February 1–11, 2020

Complete your 2020-2021 academic year contract and form roommate groups.

Students who submit their contracts between these dates will receive an appointment time.

Groups: The person who creates a group is the Group Leader. The Group Leader can invite other students to join the group.

Note: The Group leader will only be able to invite other student(s) if the student(s) have completed a 2020-2021 housing contract. Students can search for a group and click Join Group after they have completed a housing contract.
STEP 2

Step 2: Appointment Times Emailed

February 14, 2020

Your appointment time for selecting a room will be emailed to you. The day and time of your appointment time is the earliest you can sign into the portal mylife.rit.edu.

Instructions on how to select your room will be included in the email with your appointment time.

STEP 3

Step 3: Room Selection

February 17–28, 2020

On your appointment day and time you will go to mylife.rit.edu and select a room or place yourself on a waitlist.

Note: Room Selection will be grayed out and unavailable until your appointment date and time.

More Information

How Appointment Dates/Times are Determined

Appointment dates and times are assigned in class standing order with current first-year students going first, followed by second-, third-, fourth-, fifth, and sixth-year students.

If you are a current freshman whose class standing has risen above the first-year status due to AP course or course over-load, for the purpose of Room Selection you will remain in the first-year grouping.

Within each year level, students will be randomly ordered by a computer program. This random ordering will not occur until the day before appointment times are emailed to students.
