Commonly Asked Questions

Will I Need Any Insurance?

RIT strongly encourages all students to maintain insurance coverage either under a parent's homeowners insurance or through a separate personal property policy. RIT assumes no responsibility for losses of students' personal belongings. RIT offers personal property insurance through CSI Insurance Agency which offers several different limit and deductible options to provide students the flexibility to select the type and amount of coverage that best serves their needs. For more information and to enroll in a plan, contact CSI Insurance Agency, Inc. at **888-411-4911** or at collegestudentinsurance.com.

What is a Mainstream Floor?

A mainstream floor is a floor where deaf/hard-of-hearing and hearing students live. Deaf/hard-of-hearing students live as floormates with hearing students, but are not assigned as roommates unless requested. Each floor has a Resident Advisor (RA) who serves as a resource for you and your floormates. Residents on mainstream floors make new friends, build community, and can learn a new language.

How Will I Access the Internet?

All residence halls are wireless. Additionally, all residence hall rooms are equipped with Ethernet jacks. If you are assigned to Ellingson Hall, Peterson Hall, or Residence Hall D and want to utilize the Ethernet jacks, you will need to bring a 15-foot Ethernet cable with you.

Do I Need To Bring a Fan?

The following buildings are air conditioned: Gleason Hall, Rochester Hall, Ellingson Hall, Peterson Hall, and Residence Hall D. If you are not assigned to one of these buildings, you may want to bring a fan.

Can I Bring A Car?

Yes, RIT does allow students to bring a car to campus. All vehicles must be registered with the RIT Parking Services office in order to park on campus. This year, we will be introducing "Virtual Permits" for residential students only. Virtual permits will allow resident students to park in their designated area without being required to display a physical permit on the vehicle. We use License Plate Recognition (LPR) to verify registrations in all lots. You must visit the website to order a permit, but no actual permit will be issued.

No Permits Will Be Sold In The Parking Office

Vehicle registrations are required to be processed within the first few days of arrival to campus. You may register your vehicle for a virtual permit beginning Monday, August 14th. The cost for a parking permit is \$100.00 and is valid through the entire academic year. This fee is applicable to students living in RIT housing and non-RIT housing. Spring semester virtual permits will be available online in January 2018. To register your vehicle online, go to rit.edu/parking. Click on the Parking link on the left and then click on the "My Parking Account" link on the right. You will need your RIT username and password to log in. Visit the PATS website at rit.edu/parking to read about campus parking regulations and view the different parking options available to each student. Free enhanced shuttle services are provided for all RIT resident students in lieu of parking in academic lots during peak hours.

Where to Find Help?

Housing Operations and The Center for Residence Life Are Here to Help You!

RIT Housing Operations will assist you with your housing assignment, keys, card access, and furniture. RIT Residence Life staff will assist you with college life in general and residential living.

Resident Advisors

(RAs) are undergraduate students who serve as a first line of support to their residents. As students themselves, RAs have frequent contact with their residents as supportive peers, leaders, educators, and community builders. RAs are responsible for developing an engaging experience for on-campus students, building a community within their assigned area, and encouraging participation in floor and community events and programs. RAs are directly supervised by a Residence Coordinator. There is approximately one RA for every 30 students.

Residence Coordinators

Full-time professionals with masters degree who work with a team of RAs to manage a residential area. Residence Coordinators are RIT Student Affairs administrators who select, supervise, and train the Resident Advisors, serve as advocates and counsel students, develop and support residential and university-wide programming, serve as conduct officers, resolve roommate conflicts, and serve as an advisor to a student organization or a special interest house. There is approximately one Residence Coordinator for every 330 students.

Need Immediate Help?

The Residence Life professional staff are the most appropriate people to contact to ensure timely and effective response. If there is an emergency situation when you are unable to contact these staff members, a Residence Coordinator is on duty each weeknight from 5:00 p.m. to 9:00 a.m. the following morning and from 5:00 p.m. on Fridays to 8:30 a.m. on Mondays each weekend.

To contact the on-call staff member, simply call the RIT Public Safety dispatcher at **585-475-2853** (general) or **585-475-3333** (emergency) and your call will be referred to the appropriate staff person. For general inquiries, contact the Residence Life Service Desk in Kate Gleason residence hall during business hours at **585-475-3104**, or via email at residencelife@rit.edu.
