Can I Bring A Car?

Yes, RIT does allow students to bring a car to campus. All vehicles must be registered with the RIT Parking Services office in order to park on campus. This year, we will be introducing "Virtual Permits" for residential students only. Virtual permits will allow resident students to park in their designated area without being required to display a physical permit on the vehicle. We use License Plate Recognition (LPR) to verify registrations in all lots. You must visit the website to order a permit, but no actual permit will be issued.

No Permits Will Be Sold In The Parking Office

Vehicle registrations are required to be processed within the first few days of arrival to campus. You may register your vehicle for a virtual permit beginning Monday, August 14th. The cost for a parking permit is \$100.00 and is valid through the entire academic year. This fee is applicable to students living in RIT housing and non-RIT housing. Spring semester virtual permits will be available online in January 2018. To register your vehicle online, go to rit.edu/parking. Click on the Parking link on the left and then click on the "My Parking Account" link on the right. You will need your RIT username and password to log in. Visit the PATS website at rit.edu/parking to read about campus parking regulations and view the different parking options available to each student. Free enhanced shuttle services are provided for all RIT resident students in lieu of parking in academic lots during peak hours.

How Will I Access the Internet?

All residence halls, Global Village, University Commons, Colony Manor, Perkins Green, Racquet Club, RIT Inn and Greek Circle are wireless. Additionally, all RIT housing, with the exception of Riverknoll apartments, have high-speed Ethernet jacks. Riverknoll residents can make a data connection by acquiring service such as Spectrum. If you live in Riverknoll and subscribe to high-speed internet service, you may be eligible for a credit, not to exceed \$185 per semester, toward the cost of this service.

This service must be accessible to all apartment residents. Only one credit per apartment, per semester will be given. Credit will only be given to the student who holds the contract with the service provider. All credits must be requested by June 15, 2018.

Where to Find Help?

Housing Operations and The Center for Residence Life Are Here to Help You!

As a student living in RIT housing, you have three teams of staff and professionals committed to supporting you while in RIT housing. This information is provided to give you the scoop on who does what. The lists are not the extent of what we do, but the larger components of our functions. RIT Housing Operations staff will assist you with your assignment, roommate additions, keys, card access, maintenance and check-in/check-out. RIT Residence Life staff will assist with advocacy in resolving roommate and neighbor conflicts, addressing concerns in the community, and providing social and educational programs throughout the year. Each complex has live-in staff (Graduate Resident Advisors, Global Village Resident Advisors, and House Managers) that are available to you.

Greek Circle

House Managers (HMs) are undergraduate members of their fraternity or sorority and live within their chapter's house of 16 or 20 members. The HM's duties include serving as the chapter's liaison to Housing Operations and Residence Life, facilitating the housing selection process for their chapter, reporting maintenance issues, addressing health and safety concerns, and implementing community development initiatives.

Global Village

Global Village Resident Advisors (GV RAs) are undergraduate staff who have at least two semesters of Resident Advisor (RA) experience. The GV RAs facilitate interaction and communication among residents, assist with conflict resolution, and provide social and educational programs with a specific focus on transitional issues, cultural diversity, and global preparedness.

RIT Inn

RIT Housing Operations will assist you with your assignment, check-in and check-out. RIT Inn staff will assist you with keys, maintenance, and check-in and check-out. RIT Residence Life provides two live-in Graduate Resident Advisors (Grad RAs) that assist in advocacy, community living, conflict resolution, connecting with the RIT campus, and facilitating interaction and communication among residents through a number of social and educational programs.

Apartments and University Commons

Graduate Resident Advisors (Grad RAs) are staff members who work with an apartment/suite community of 150–960 residents. The Grad RAs assist in advocacy, community living, conflict resolution, and facilitate interaction and communication among community residents through a number of social and educational programs.

The Area Directors/Residence Coordinators are full-time Student Affairs administrators who oversee one or more apartment/suite communities and work with Grad RAs, GV RAs, and HMs to coordinate campus and community resources to enhance students' academic and co-curricular experience. The Area Directors/Residence Coordinators coordinate and conduct staff training and development, counsel and coach students, develop and support residential and university-wide programs, serve as student conduct officers, resolve roommate and neighbor conflicts, advise student clubs and organizations, and collaborate with university programs such as Entrepreneurs Hall and Study Abroad in Global Village.

The Associate Director for the apartment area is a full-time professional with a Master's Degree in Student Personnel, Counseling, Education, or a related discipline. They manage a team of Area Directors, Graduate RAs, GV RAs, and HMs to serve a residential community of approximately 3,700 students. Responsibilities include administrative & programmatic functions for the area level.

Need Immediate Help?

The Residence Life professional staff are the most appropriate people to contact to ensure timely and effective response. If there is an emergency situation when you are unable to contact these staff members, a Grad RA is on duty each weeknight from 5:00 p.m. to 9:00 a.m. the following morning and from 5:00 p.m. on Fridays to 8:30 a.m. on Mondays each weekend.
