• Enroll, cancel, or change medical coverage
• Enroll, cancel, or change vision care coverage
• Enroll or cancel participation in the legal services plan
• Enroll, cancel, or change identity theft protection coverage

This fall is not a dental enrollment period for dental coverage. Your current election will continue into 2020 and you cannot make a change to that election.

How to Enroll or Make Changes
Your current election for medical, dental, vision, legal services, and identity theft protection coverage will automatically continue into 2020. The enclosed blue Retiree Benefits Open Enrollment Form shows your current benefits with the 2020 contribution amounts.

You can make changes to your benefits, enroll in new benefits, or cancel benefits by completing the enclosed blue Retiree Benefits Enrollment Form. Remember, you cannot make a change in your dental election for 2020.

Change in Family/Employment Status
If you have a qualified family or employment status change during the year (e.g., spouse gains or loses employment), you are eligible to make a mid-year change, as long as you notify RIT’s Human Resources within 31 days of the event. Otherwise, you must wait until the next annual Open Enrollment. The event must be consistent with the change you want to make.

NOTE: There will be no RIT retiree meetings this year. RIT Human Resources is available to answer any questions you have. Contact information can be found on the back page.
Medical/Rx Plan

Pre-Medicare Cost Sharing
RIT remains committed to providing health care coverage for our retirees. In 2018, we communicated that RIT would be phasing in a new cost-sharing model for pre-Medicare retirees. As previously stated, this change was based on data that showed pre-Medicare retirees utilize their health care benefits to a greater extent than current employees.

As a reminder, effective January 1, 2020, we will begin phasing in the new cost-sharing model (shown below).

- **Cost Sharing Group 2** - The retiree contribution amount will be 20% higher than the employee contribution amounts, each year through 2024, as follows:
  2020 retiree contributions will be 20% more than the employee contributions
  2021 retiree contributions will be 40% more than the employee contributions
  2022 retiree contributions will be 60% more than the employee contributions
  2023 retiree contributions will be 80% more than the employee contributions
  2024 and later retiree contributions will be 100% more than the employee contributions

- **Cost Sharing Group 3** - The contributions will be 10% higher than contributions of Cost Sharing Group 2, each year.

If you are currently enrolled in RIT health care coverage, your cost sharing group and your 2020 contribution amount is listed on the enclosed *Retiree Benefits Open Enrollment Form*.

2020 Out-of-Pocket Maximums
As required under federal law, RIT’s medical/prescription drug (Rx) plans have out-of-pocket maximums. These maximums provide important protection for the few people who have high out-of-pocket medical/Rx expenses, since it limits the total amount you will have to pay during the plan year for eligible expenses.

The federal government generally increases these amounts annually and will do so again for 2020. When this occurs, RIT increases the medical and/or Rx out-of-pocket maximums accordingly. For 2020, both medical and prescription drug plan out-of-pocket maximums both in and out of network will increase. For details, please refer to the Medical Benefits Comparison Book on the HR Benefits website.

Reminder About Privacy Laws
Privacy laws prohibit health care providers and insurance companies from disclosing to another person, such as a family member, protected health information (PHI) related to your health coverage without your written authorization. Complete an authorization if you or a family member (age 18 or older) wish to designate an individual to receive information about your health care coverage and protected health information.

For Excellus, the information is in the Manage Your Privacy link on the Excellus website. For OptumRx, the authorization form to download and complete is in the Tools & Resources section of the OptumRx website. Check with your health care providers about what they need.

RIT Health Care Partnership Reminders
Take Advantage of Our Partnership with Wegmans Pharmacies
RIT has had a preferred pharmacy arrangement with Wegmans Pharmacies for many years. This means you will have lower copays at Wegmans compared to other retail pharmacies. In addition, you can purchase a 90-day supply of a maintenance medication at Wegmans, which you cannot do at any other retail pharmacy.

Wegmans offers free home shipping so even if a Wegmans pharmacy is not convenient to your home, you can still take advantage of lower copays for your maintenance medications.

Rochester Regional Health (RRH)
You will find a primary care practice on the RIT campus called Rochester Regional Health Family Medicine at RIT. If you are looking to make a change in your Primary Care Physician (PCP), Dr. Eric Wilcox is accepting new patients. And, the good news is that your copay for an office visit at the on-campus practice is only $15! There is also an outpatient lab located adjacent to the practice where you can have blood drawn or provide a urine sample. For more details, including hours and contact information, check out their website at https://www.rit.edu/affiliate/rrh/family-medicine-practice.

If you do not go to the on-campus practice for your care, you would still be eligible for the RRH Copay Option, which has lower copays than if you go to non-RRH providers. The lower copays apply to office visits, emergency room visits, inpatient hospitalization, and outpatient facility. The lower copays do not apply to tests, treatments or any other services (e.g., allergy shots, chiropractic services, physical therapy, x-rays, etc.).

For more details and copay amounts, refer to the Medical Benefits Comparison Book, found on the Open Enrollment web page or in the Health Care section of the benefits website.
RIT’s Vision Care Plan

We continue to receive very good feedback about RIT’s Vision Care Plan from employees and retirees. The coverage is through VSP. If you and/or your eligible family members will have prescription eyewear needs in 2020, this may be the plan for you. You are eligible for benefits each calendar year. Below is a brief summary of the coverage. You will find more details on the RIT website in the Health Care section.

**IMPORTANT:** If you enroll in coverage, VSP does not issue ID cards. Just let your provider know you have VSP coverage. The ID number for retirees is your RIT University ID (UID) (printed on the enclosed blue form). The ID number for a surviving spouse is the surviving spouse’s Social Security Number.

RIT’s Hyatt Legal Plan

It can be difficult to know how to find an attorney when you need one. With RIT’s legal plan through MetLaw, provided by Hyatt Legal Plans, you can have a team of attorneys ready to help you take care of life’s planned and unplanned legal events. During your lifetime, you may need legal help more often than you think. Getting married, buying or selling a home, starting a family, dealing with identity theft, sending your kids off to college, or caring for aging parents are just some scenarios where attorneys can provide expert legal advice. With RIT’s legal plan, you can get access to legal help for all of these matters and more.

The plan’s network attorneys provide support face to face, by phone, or by questions submitted online to their Law Firm E-Panel®. For certain legal matters, your attorney can represent you in court without you being present. The network attorneys are there for you, whenever you need advice on any personal legal matter or representation on a number of legal services covered under the plan—giving you peace of mind that you’ve got an expert on your side, for as long as you need them.

To elect or cancel coverage, please complete the enclosed blue Retiree Benefits Open Enrollment Form. If you elect coverage, RIT’s billing administrator, Lifetime Benefit Solutions (LBS) will bill you monthly for the coverage. For more details, go to www.rit.edu/benefits and click on the link for the Open Enrollment page.

Identity Theft Protection

During the open enrollment period, you can enroll, cancel, or change coverage for 2020. The coverage from Identity Force is very comprehensive. There are three main categories; some of the services are as follows. The monthly premium contributions are found on the enclosed blue form. You will find details about the benefit on the HR website (www.rit.edu/benefits).

1. Prevention—fraud monitoring online protection tools
2. Detection—identity monitoring, change of address monitoring, medical ID fraud protection, and junk mail opt-out
3. Restoration—identity restoration specialists who complete the paperwork and make calls on your behalf, $1 million identity theft insurance to reimburse you for eligible out-of-pocket costs (e.g., attorney fees)
Other Benefits - Enroll at Any Time

**Personal Insurance:** RIT offers employees and retirees an opportunity to purchase auto, homeowners, and other kinds of personal insurance at group rates. The program is administered by Mercer Voluntary Benefits and is provided by MetLife Group Property & Casualty, one of the largest underwriters of employer-sponsored insurance programs. While rates are not guaranteed, typical savings in this program are between 10-20 percent off Metropolitan’s retail insurance rates.

**Pet Insurance:** Offered at a group discount through Nationwide, this medical insurance for your pets covers thousands of medical problems and conditions related to accidents or illnesses (even cancer) for dogs, cats, birds, ferrets, rabbits, reptiles, and other exotic pets. You have the freedom to visit any licensed veterinarian.

**Reminder-Beneficiary Designations**

Are your beneficiary designations up to date? Do you know who you named as your beneficiary for your retirement savings or any life insurance policies you have?

Events such as death, marriage, and divorce can drastically change your life. It’s important that you regularly review your beneficiary designations to ensure they are up to date. The decision to change beneficiaries depends on many factors as well as your own personal and financial situation. It is important to make updates and changes in a timely manner to ensure your benefits are distributed the way you wish them to be.

You will find information on how to update your beneficiaries for the RIT Retirement Savings Plan on the retirement plan section of the RIT HR website (www.rit.edu/benefits). If you have retirement savings at both Fidelity and TIAA, you should review and update beneficiaries at both organizations; they are separate designations.

Please remember, the unexpected can happen at any time. Don't put your loved ones in a bad situation because you didn't take the time to designate your beneficiaries.

**RIT Services and Discounts**

**Tuition Waiver:** You and your eligible family members continue to be eligible for Tuition Waiver (courses taken at RIT).

**Access Privileges to RIT Facilities:** By using your Retiree ID Card, you have access privileges to RIT facilities and services such as the Student Life Center and Wallace Library.

**RIT Email:** You may continue to have an RIT email account. From the first time your email account is activated, you will receive an annual email notice from ITS confirming you want to continue your account. Follow the instructions to keep the account.

**Barnes & Noble @RIT:** Show your RIT Retiree ID Card and get a 10% discount on most items. Please note that this applies to retirees only, not spouses or surviving spouses.

A note from Eileen Shannon, Sr. Director of Parent, Retiree and Faculty/Staff Alumni Relations

It’s my distinct pleasure to welcome the RIT Retiree program to the division of Development and Alumni Relations (DAR). We’re thrilled to have the opportunity to work with a group who has dedicated so much of their own lives to RIT, and to provide more opportunities to stay connected. We know that there are probably a lot of questions about how this program may change, and I would like to assure you that we will all be working hard to continue the great work done in the past and build upon it for the future.

I’d first like to thank Dr. Barry Culhane and his team for all of their wonderful work to celebrate RIT’s retirees. They provided a warm and welcoming atmosphere for this beloved group and established traditions that we look forward to continuing. We will, of course, keep the hallmark annual events – the summer Retiree Picnic and the December Winter Gathering. The transition to our office brings some opportunity for growth, as well. We are looking forward to expanding into some new areas, including travel programs, access to lifelong learning sessions, volunteer opportunities, and more chances to connect with members of RIT’s community, past and present.

In the coming months, you can expect to see more from us. We are working on launching an updated website, in order to provide easy access to information about events and important resources. Additionally, we will be working with our Retiree Committee to provide meaningful programming and relevant content throughout the year.

In the meantime, mark your calendar for the Winter Gathering on December 4, 2019. Please keep an eye out for communications from our office as we share more information on this event and other updates in the near future! We look forward to seeing you soon.
Congratulations to one of RIT’s newest retirees, Valerie Liegey, who we know helped many of you with your benefits questions. We are pleased to announce we have a new benefits assistant, Jessica Willson, who joined us in September. We are sure you will continue to experience excellent customer service from Jessica. For any benefits questions you have, please contact Jessica as follows:
