

# ACCESSIBLE VAN SERVICE

## **Purpose**

The Accessible Van Service (AVS) provides convenient, scheduled service to those Institute members who have disabilities or medical conditions that limit mobility.

The service features a wheelchair accessible van with wide aisles and low easy access. The AVS operates between RIT academic buildings and RIT Housing.

Qualified Institute members must make arrangements in advance in order to be provided with reliable service.

## **Service Dates & Times**

The AVS is available during academic semesters, Monday through Friday, 7:00am to 6:00pm.

Fall Semester:  
Aug. – Dec.

Spring Semester  
Jan – May

During holiday break, Intersession, & Summer Session, AVS is not available. However, all RIT shuttle buses are ADA-accessible and operate throughout the year.

## **How to Acquire Services**

- Complete the attached Service Request Form and Schedule Form.
- Return them to Dave Baldwin in Parking & Transportation or the RIT Disability Services Office.
- When completing the schedule form, please identify exact pick-up locations. All pick-up sites must be on a paved roadway or in parking lot near an accessible ramp or entrance.
- *Accessible Vans will not drive on pedestrian walkways or unpaved surfaces.*
