Did you know?

B & H Photo, Video and Pro Audio carries a wide variety of photo, video, audio security, IT, multimedia, optics and A/V presentation technology.

Many RIT departments are purchasing a variety of specialty items at B & H Photo, Video and Pro Audio using their departmental procurement cards.

B & H Photo, Video and Pro Audio offers reduced pricing through the [**B&H Government, Education and Corporate Sales Office**](#)

To receive discounted prices from B&H:

1. Contact the New York Team to receive best pricing; never use the public web site to order.
2. Call the NY team at 212-239-7500 ext. 7742 or email at NY@BHPHOTO.COM
3. Always ask for "special pricing" on high value orders

Important

The preferred source for photographic supplies is still the [RIT Photo Store](#). Only use B&H as a secondary source for hard-to-find photographic supplies.

If you have any questions about photographic equipment, please contact Larry Havens, Buyer, at lphpur@rit.edu or 475-4821.
