

TigerSafe App Social Captions

Option 1:

From safety alerts to Friend Walks, Tiger Safe puts campus support in your pocket. [link]

Option 2:

Late classes. Long walks. Busy days.

Tiger Safe gives you quick access to campus safety tools when you need them. [Link]

Option 3:

Already have the Tiger Safe app? Make sure push notifications are on so you don't miss important updates. [link]

Option 4:

Safety is a shared responsibility.

Tiger Safe empowers you to take an active role by giving you a fast, direct way to connect with Public Safety, share your location, and access campus safety resources when you need them.

Option 5:

Safety works best when we all take part.

Tiger Safe puts tools like location sharing, safety resources, and direct communication with Public Safety in your pocket.
