

FMS Building Directions

Using GPS Navigation

The FMS building is located at the corner of **John Street and Wiltsie Drive**, but there is no physical address.

Parking at FMS

The courtyard-style lot on the east of the building is reserved for University-marked vehicles, accessible parking, and designated pick up at the Hub. To avoid receiving a citation, please park in Lot A, located on the west side of the building. You may load/unload in the eastern lot, and then park in Lot A.

After parking, take the walkway on the south side of the building, and enter in the door at the end of the walkway.
