**9.10.14**  
**Academic Advising.....**

To all IGM students taking (or who will take) IGME 101, 102, 105, 106, 201, and 202.

As of Spring 2015 enrollment, IGME-102, IGME-106, IGME-201, and IGME-202 have grade pre-requisites, which SIS shows (you need to set it to "Spring"). If you get a D or lower in a course that is a pre-req to one of those courses, you must retake the pre-req course. Here are the complete grade pre-reqs:

If you earn a grade of D or lower in IGME-101, you cannot take IGME-102.  
If you earn a grade of D or lower in IGME-102, you cannot take IGME-201.  
If you earn a grade of D or lower in IGME-105, you cannot take IGME-106.  
If you earn a grade of D or lower in IGME-106, you cannot take IGME-202.  
If you earn a grade of D or lower in IGME-102, you cannot take IGME-202.

Please check with your academic advisor if you have any questions.

**Did you enter RIT this fall semester?**  
All students who entered into RIT this year are required to attend a meeting with their advisor during fall semester. In this meeting we will discuss future course enrollment and other IGM resources. To schedule this meeting you must stop by or call the IGM office at 585-475-7453. It is imperative that you attend as there is a hold on your account that will prevent you from enrolling in spring semester classes.
