- Intersession Event: Slide Show presentation of the 60th anniversary of the closing of the Rochester Subway in Classroom #1. The presentation will include the making of the subway, the routing and history of its running, presented by Jim Dierks from the Rochester Museum of Transportation on East River Road. The sign-up sheet will be on the table in the lounge area starting next week. Limit of 40 people.
Important to Note

- **Classroom Safety:** Safety is the number one responsibility of each Osher member whether or not we use canes, walkers, wheelchairs, or any other mobility assisting devices. Please be sure all of your devices or other personal belongings are not blocking doorways or aisles. If you move your chair into an aisle, please move it back.

- **Reserved Seating:** Please reserve the seats marked with handicapped signs in each classroom for the members who need them. Please do not add chairs to the open space marked with “X”s in the back of Classrooms 3 & 4 as they are reserved for members with wheelchairs. Thank you.

- **Cap Your Cup:** While you’re in our facility, please keep a cap on your coffee cups, soda bottles, etc. This helps prevent spills that stain our carpets! If you do happen to spill, please notify staff immediately so they can treat the stain.

- **Speaking of Coffee Cups:** Did you know that you can fit tall coffee mugs from home under the brew dispenser of our coffee machines? The small metal shelf that the paper cups normally sit on can flip up and out of the way to accommodate large mugs. Please flip it back down when you are done or else the machine won’t dispense coffee to the next paper cup!

- **Add / Drop Forms:** Members can add or drop a class at any time during the term by filling out an Add/Drop form, found on the table in the lobby by the bulletin boards near the women’s restroom, and also in the black bins just inside the door of each classroom.

- **Osher Calendar:** All Osher meetings, term dates, one-sessions, Pfaudlers, and more events are always current on our online calendar at www.usher.rit.edu/content/orgcalendar.html.

- **Osher is on Facebook:** Did you know we have a Facebook page? Go to www.facebook.com/osopheratrit to “Like” our page and stay up to date with the latest Osher happenings!

- **In Case of Emergency:** Please note that Emergency Action instruction signs are posted throughout the building, including in each classroom. If needed, an AED is located in the kitchen near the closet doors.
