It’s very apparent how much our members value the opportunity to learn and form friendships that enrich their lives. We are doing our best to keep annual dues increases to a minimum, but we must always close the funding gap. If you can make a charitable gift, remember that, because we are part of RIT, your donation is tax deductible (membership dues are not tax deductible).

Osher at RIT’s continuing success is dependent upon the voluntary financial support of our membership. We invite you to contribute today. Gifts can be made online at

[NEW CONTENT] Mt. Hope is one of the most beautiful and historically important cemeteries in the United States. We will learn about—and meet, so to speak—many of Mt. Hope’s famous, not-so-famous, and infamous permanent residents. There will be two field trips (optional) and three classroom sessions. Each trip takes 1.5 hours to complete, so the walking pace is fairly slow. Trip 1 is over paved road and moderately hilly terrain (1.1 miles). Trip 2 is over paved road and flat terrain (1.2 miles). An emergency “chase car” will be available if needed.
Audio/Visual, Discussion, Lecture, Reading, Field Study/Trip

Middle East Experience ............... F6aM
[NEW COURSE] The course will describe the experiences and observations of five years of living and traveling in the Middle East as co-founder and CEO of the only pure private health insurance company in the region. These experiences provided opportunities to interface with government officials and members of the ruling royal families Al Nahyan (Abu Dhabi) and Al Maktoum (Dubai). Audio/Visual, Lecture

Carl Sardegna has had many positions in finance and health insurance including executive positions with New York Life, BCBS of Maryland, UNUM Inc., and Green Crescent Insurance of Abu Dhabi, UAE.

Monday: 11:15 am – 12:45 pm
ONE Session: September 30

The Myth of Capitalism ..................... F6bM
[NEW COURSE] There is a growing cacophony that capitalism is failing. In his book, The Myth of Capitalism, Jonathon Tepper looks at causes such as how monopolies and oligopolies have come to dominate the economy. Without competition everyone suffers. We will explore why competition is dying, its consequences, and the way back to open markets. Audio/Visual, Discussion, Lecture

Important to Note

Registration Information
All paper registration forms (p. 21) received prior to 10 am on AUGUST 13 will be processed starting at 10 am. Any forms received after 10 am will be processed in the order in which they were received AFTER all on-time registration forms are processed. You will then receive an email registration confirmation.

Please do not register for two courses that are offered at the same time.

Some courses require the purchase of books or materials.

Osher Lifelong Learning Institute at RIT reserves the right to cancel courses because of low registration, last-minute unavailability of course leaders, or other unavoidable circumstances. Members will be notified immediately of such cancellations so that they may select alternative course(s).

Refund Policy
In the case of the death or incapacitation of a Full member, a pro rata portion of their annual membership fee is eligible to be refunded. The membership fee is otherwise generally nonrefundable. The Program Administrator, in consultation with the Chair of Council, may consider a refund request for other individual circumstances. For administrative purposes, all refund requests must be made in writing.

Did You Know?
That we have a lending library to which members may donate. And that we have an art gallery which displays members’ works on a rotating basis. Please take advantage of these and enjoy.

Join a SIG!
A SIG (Special Interest Group) is an informal community of Osher members who gather in order to pursue and enjoy a shared interest.

Don’t see what you want? You can start a new SIG. Contact staff for details.
