

Here's to another successful year in the RIT Honors Program! Whether you are graduating this weekend (CONGRATULATIONS!) or will be back with us next fall, we hope you have a wonderful summer filled with new experiences and opportunities to learn and grow - and some time to relax and recharge for your next adventure.

The Honors staff work through the summer months - so please feel free to reach out or stop by with questions, thoughts or just to say hello. Have a great summer everyone!

Summer Continuation Review

All students
checked for progress
towards completion

Summer Continuation Review

After final grades are posted for the spring semester we will review all Honors students for progress towards completion of their annual and overall requirements in the program.

Students who do not meet the requirements will be informed via email that their standing in the program will be changed to *conditional* for the particular issue. Please remember, students who are in conditional standing cannot utilize their honors grant.

During the summer review we are particularly focused on points and GPA. If you are earning points this summer that will fulfill the annual requirement (i.e. you have earned no other points this academic cycle) please reach out and let us know.

We will look at progress towards the complementary learning requirement as well and will alert folks who are well behind, but since the submission cycle runs until Aug. 31, we will not change standings to conditional for deficiencies in complementary learning until the beginning of the fall semester.

Annual Requirements:

- Complete at least one Honors point
- Complete at least 20 hours of complementary learning (in most cases)
- Meet / maintain the required GPA standard for the year you are completing at RIT

GPA requirement by year at RIT:

- Year one = 3.2
- Year two = 3.3
- Year three = 3.4
- Year four and beyond = 3.5

END OF YEAR SURVEY

Share your thoughts and opinions!

As we wrap up our programming for the year we want to hear from you about your experiences in the program. Please take a few moments to complete our year end survey. We will use your responses to streamline processes, improve events, and develop strategies that encourage engagement and participation across all colleges.

Complementary Learning Reminders

As we move into the summer months we want to share some helpful reminders about Complementary Learning:

[Subscribe](#) to our email list.

- The Complementary Learning cycle runs from **Sept. 1 - Aug. 31** each year
- Students are required to complete at least 20 hours of complementary learning each cycle - Please check your [cohorts' handbook](#) for details about this requirement for your year in the program
- Please submit your complementary learning contemporaneously - within 30 days of the activity
- We will be accepting and processing submissions all summer
- We will review all student records for completion of their annual requirement in September
- Please use the link below or the one found [here](#) to submit your hours
