POLICY NOTICE
WORKPLACE HEALTH AND SAFETY CONSULTATION SERVICES

Church Mutual offers workplace health and safety consultation services at no additional charge. This service, performed by a Risk Control Representative, can help you develop and/or refine your employee safety program. The service includes analysis of workers' compensation loss history, site inspection, and evaluation of potentially hazardous conditions or practices. Safety recommendations will be submitted in writing.

Requests for risk control consultation should be directed to:

Risk Control Department
Church Mutual Insurance Company, S.I.
P.O. Box 357
Merrill, WI 54452-0357
Phone: 1-800-554-2642, Extension 5213
Fax: 715-539-4650
Email: riskconsulting@churchmutual.com

When requesting workplace health and safety consultation services from Church Mutual, please include your account number, the name of your facility, the name and title of the contact person, and a telephone number.
