# How to Update Your Address in the Student Information System (SIS)

Use the Student Information System to keep your addresses current *each* time you move!
Go to this link: https://www.rit.edu/infocenter

Steps to follow:

Students • Student Info System	Use the Student Info System link to log into the SIS
	Scroll down and click on the "Personal Information" icon
Addresses	Click on the "Addresses" icon
Permanent Address	Permanent Address should reflect your overseas address
Current Address +	Current Address should reflect your most up to date address in the United States. -Use the add button add your address
• When you update your address, make sure that your United States phone number is listed as Cell/Mobile and is accurate. • Other information such as preferred names, email addresses, and emergency contacts can be edited in the "Personal Information" section. ***We strongly encourage you to add emergency contact information***
