Niagara Falls Tour

Saturday September 19th, 2015
8:30am-5:30pm
Bus leave from J-Lot at 8:30am
Return to RIT by 5:30pm

Tour the Niagara Falls Power Authority
Did you know that the power behind Niagara Falls generates 2.4 million kilowatts—enough power to light 24 million 100-watt bulbs at once!

Maid of the Mist
See the raging currents, hear the deafening thunder and feel the mist of 600,000 gallons of water falling before your eyes!

Goat Island
Have lunch on us and walk between the falls on Goat Island!

REGISTRATION FEE $15 (OVER $35 VALUE)
Fee includes: bus ride, lunch, and Maid of the Mist boat ride
We will contact you for lunch choice
Bring your own $ for snacks, souvenirs and other attractions

RSVP and PAY here: http://we.rit.edu (Under “Events”)
By September 14th or until full!

A collaborative event with Women in Engineering, Technology and Computing

***LIMITED NUMBER OF SEATS***
