GE Aviation
Co-Op Panel

TUESDAY, September 27th, 2016
(Evening Before Fall Career Fair)

8:00-8:45PM
Xerox Atrium

Equal parts helpful and hysterical, join 5 5th-years who recently returned from co-op as they share co-op do’s and don'ts, best tips, and how to go about “adulting” for the first time. Lessons and laughter to be shared throughout the panel discussion! Don’t miss this one!
