

Frequently Asked Questions (FAQ)

WE're in Motion

An Early Orientation Experience for the College of Engineering women students

Am I required to attend the WE're in Motion Program?

No, but we strongly encourage you to participate. This is an important program for women engineering students to give you an edge on confidence and prepare you for success during your first year at college as an engineering student. You will have the opportunity to meet and build relationships with other like-minded women, receive hands-on engineering experiences, meet professors, move-in early, develop student-mentor relationships, and have fun!

What does the \$50 program registration cost cover?

This nominal cost covers a portion of the direct costs of the event's meals, hands-on engineering lab sessions, social activities, T-shirt, water bottle, upper-class mentors and more. Kate Gleason College of Engineering subsidizes the remaining costs associated with hosting this event.

What are the hands-on engineering experiences like? How many are there?

A detailed lab description document will be available on our website. Each lab is a unique, hands-on experience meant to give the student experience and exposure to the various engineering disciplines, along with an introduction to various professors within KGCOE. There is a choice of 9-12 different labs for you to choose. You will have the opportunity to participate in 4 sessions; sign-ups will take place on Monday afternoon during the ice cream social.

What does the schedule look like for the WE're in Motion Program?

Please see the sample schedule document on the WE@RIT website. It includes meals, activities and events.

How is the early move-in a benefit to me?

You will have a special move in on Monday; only a few hundred students are moving-in vs. a few thousand students on freshman move in day on Tuesday. Students need to check in at the WE@RIT Table in Gordon Atrium/GLE for WE're In Motion program information, folder, T-shirt, and sign up for engineering lab choices. YOU WILL BE MOVING INTO YOUR FULL YEAR ASSIGNMENT! You get this extra time to get to know campus better and meet other students.

Can I be part of the WE're in Motion program if I am a Commuter to RIT?

Yes, you can enroll in this program and be engaged in all the activities. We want you to be part of the community and meet the professors and your fellow students. The fee will be the same.

If I am also part of the Honors Program, how do I coordinate with the WE@RIT Program?

RIT Honors also coordinates an Early Orientation program. Students have been able to attend elements of each program successfully. Each of the programs is intended to be informational, student friendly and assist with helping you be part of a community.

If you want to participate in both programs, it will be up to you to coordinate between the two events.

Please let us know if you should have any questions regarding this. We are happy to assist with your planning.

I am also on-campus early due to Sports team commitments – can I participate in WE're in Motion?

Attendance at all WE're in Motion activities is not mandatory. You will want to try to attend the engineering lab experiences and as many program activities as possible. The schedule is integrated with informational sessions, social, and team building to help build a sense of community within the College of Engineering. But please coordinate with your coach to establish what time frames you will be available and therefore figure out which program activities you can attend. It will be up to the student athlete to coordinate between the two events. We are happy to assist with your planning efforts - please let us know if you should have any questions regarding this.

Frequently Asked Questions (FAQ)

WE're in Motion

An Early Orientation Experience for the College of Engineering women students

How are the mentors involved?

You will be assigned to an upper-class engineering student mentor for special group functions. They will be your connection during this program and into the school year. All mentors will be in attendance to assist at all program events, will do personalized visits to your room and will run various group activities throughout the event. You will have an opportunity to meet all the mentors throughout the WE're in Motion program.

Do I also attend the RIT New Student Orientation if I participate in this program?

Yes, all incoming freshman students are REQUIRED to attend the RIT New Student Orientation.

How is this different from the RIT New Student Orientation?

*This program is a specific and unique program only for new KGCOE women engineering students (includes freshmen and transfer students). Current women engineering students will be the program mentors. The program involves **a relatively small group, the activities will build your confidence, and some activities are engineering specific, skill based, or team based. Great food and fun!** Program activities and agenda are unique and different from the RIT New Student Orientation program.*

What if I register but then have a change in plans, is there any refund?

WE@RIT will refund up to 30 days before the start of the program less a \$15 processing fee.

What is the Schedule for Parents?

Parent Schedule can be found through New Student Orientation linked [here](#)! Please note that WE're in Motion does not have a parent component, and all activities and meals are meant for the registered RIT student only.

How do I get my Student ID card?

*You will **need** to physically pick up your ID card in Grace Watson Hall at the same time you check into housing. You will need your ID card to get into your dorm room during the event.*

Please visit <https://www.rit.edu/academicaffairs/registrar/id-photo> for information regarding requirements to obtain your ID card.

Do I need extra money?

Please bring extra spending money for your personal needs. Your student accounts will not be set up until the RIT New Student Orientation begins.

Frequently Asked Questions (FAQ)

Move-In FAQ

1. What time is Move-In and WE@RIT Check in?

Move-In is from 8:00am to 1:00pm on Monday, August 19th, 2019 in *Grace Watson Hall*. Housing Operations will contact you to tell you when you should plan to arrive. Please refer to the [Early Arrival Guide](#) for more detailed information.

Check-In for WE're in Motion is from 1-2:00pm in *James Gleason Hall*, Gordon Atrium. We strongly encourage everyone to download the [RIT mobile app](#) which includes an interactive and searchable campus map for assistance in navigating the campus.

2. Where do I pick up my room key?

You may pick up your keys in the lobby of *Grace Watson Hall (GWH)*. Please see the [Early Arrival Guide](#) for more detailed information. If you arrive after 11:00pm, you will be on your own to locate alternative housing for the night at a local hotel. Several options can be found [here](#).

3. How is this different from RIT Move-In day?

You will miss the chaos; only a few hundred students are moving-in on Monday vs. a few thousand students on freshman move in day on Tuesday.

4. What do I need to bring on Move- In day?

- Supplies for the year: ([Refer to RIT Housing "What to Bring" Check List](#))
- Boxes to hold your items that can be broken down and recycled.
- **OPTIONAL:** A cart or dolly to transport your items from your unloading location to your room (There are carts available on this move-in date)
- Bungee cords to use with dolly

5. Am I moving into my permanent housing for the year?

Yes, students will be moving into their assigned housing for the school year upon arrival.

6. I still have questions who should I contact?

You can contact housing operations at RIT: <https://www.rit.edu/fa/housing/contactus>
