Independent Auditors' Report

To the Board of Directors of the American University in Kosovo Foundation

3 August 2012

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of American University in Kosova Foundation ("AUKF"), which comprise the statement of financial position as at 30 June 2012, the statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# 1. INTRODUCTION

The American University in Kosovo Foundation ('AUKF') is a non-profit organisation registered as a Non-Governmental Organization ("NGO") on May 8, 2002 under United Nations Interim Administration Mission in Kosovo ("UNMIK") Regulation No. 1999/22 on "the Registration and Operations of Non – Government Organisations in Kosova".

AUKF was established for the purpose of establishing, supporting and operation of the American University in Kosovo ("the University"). The Union Fund for the Reconstruction of Kosovo ("UFORK") provided the initial funding for AUKF. According to the agreement with UFORK, AUKF has become a four-year, English language institution accredited within both Kosova and the United States of America. In addition to undergraduate studies, in partnership with the Rochester Institute of Technology, AUK offers a master's program leading to the degree of Master of Science (M.S.) in Professional Studies. The Board of Directors of AUKF is composed of thirteen members.

# 2. BASIS OF PREPARATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

# 2.1 Statement of compliance

These financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS").

#### 2.2 Basis of measurement

The financial statements have been prepared on the historical cost basis.

# 2.3 Standards and Interpretations in issue not yet adopted

A number of new standards, amendments to standards and interpretations are not yet effective for the year ended 30 June 2012, and have not been applied in preparing these financial statements. None of these are likely to have an effect on the financial statements of the AUKF, with the exception of:

IFRS for Small and Medium-sized Entities - The IFRS for SMEs does not contain an effective date; instead, it will take effect from a date determined by the national regulator in each jurisdiction. The IFRS for SMEs is intended to facilitate financial reporting by small and medium-sized entities (SMEs) that want to use international standards by providing an accounting standard suitable for them. It is a simplified and slimmed-down version of full IFRSs and is available for entities that do not have public accountability. It will be up to the national regulators and legislators to decide who is permitted or required to apply IFRS for SMEs in each jurisdiction.

IFRS for SMEs simplifies the recognition and measurement requirements compared to full IFRSs in some areas and excludes topics not considered relevant for SMEs and removes the more complex option in certain areas in which full IFRSs allow more than one accounting option.

An entity follows either the requirements of the IFRS for SMEs in full or else uses full IFRSs. The only exception is that an entity applying the IFRS for SMEs can choose for financial instruments to apply either the provisions of the IFRS for SMEs, or the recognition and measurement provisions of IAS 39 Financial Instruments: Recognition and Measurement and the disclosure requirements of the IFRS for SMEs. Management have yet to determine if AUKF will apply IFRS for SMEs, once the national regulator decides on how to apply these standards in Kosovo.

# 2.4 Currency of presentation

The reporting currency of AUKF is the European Union currency unit Euro ("EUR").

#### 2.5 Significant accounting policies

A summary of the most significant accounting policies adopted in the preparation of the financial statements is presented below:

#### 2.5.1 **Property and equipment**

Property and equipment are stated at cost, or fair value for donated assets, less accumulated depreciation and provision for impairment where required. Where the carrying amount of an asset is greater than its estimated recoverable amount, it is written down to its recoverable amount and the difference is charged to the statement of revenue and expenditures. The estimated recoverable amount is the higher of an asset's net selling price and its value-in-use.

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

The cost or fair value of purchased or donated property and equipment is the value of the consideration given to acquire the assets and the value of other directly attributable costs which have been incurred in bringing the assets to their present location and condition necessary for their intended use.

The building occupied by AUKF is provided rent-free and tax-free pursuant to a memorandum of understanding signed between AUKF and the Ministry of Education, Science and Technology. Leasehold improvements paid for by AUKF are capitalized and depreciated over the shorter of the lease term and their useful lives.

Gains and losses on disposal of property and equipment are determined by reference to their carrying amount and are taken into account in determining the surplus or deficit for the reporting period. Repairs and maintenance are charged to surplus or deficit when the expenditure is incurred.

Depreciation is provided on a straight-line basis calculated to write off the recorded cost or fair value of property and equipment over their estimated useful lives at the following annual rates:

Leasehold building improvements	10%
Computers and related equipment	33%
Laptops	25%
Furniture, fixtures and equipment	20%
Vehicles	20%

# 2.5.2 Intangible assets (Software)

Intangible assets have finite useful lives and are measured at cost less accumulated amortisation and accumulated impairment losses. Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in profit or loss as incurred. Amortisation is recognised in surplus or deficit on a straight-line basis over the estimated useful lives of intangible assets at the annual rate of 33%.

# 2.5.3 Foreign currency transactions

Transactions in currencies other than EUR are initially recorded at the rates of exchange ruling on the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rates of exchange ruling on the reporting date. Profits and losses arising on translation are recorded in surplus or deficit in the period in which they arose.

# 2.5.4 Grants related to assets and expenses

Grants related to assets, including non-monetary grants at fair value, are not recognised until there is reasonable assurance that AUKF will comply with the conditions attaching to them and that the grants will be received. Grants related to assets are presented in the statement of financial position by setting up the grant as deferred income. Deferred income is recognised as income on a systematic and rational basis over the useful life of the related assets. Grants that compensate AUKF for expenses incurred are recognised in profit or loss at the fair value and recorded as an offset to the related expense on a systematic basis in the same periods in which the expense is recognised.

# 2.5.5 Revenue recognition

Revenue from tuition fees is recognised as income on a straight-line basis over the period of the relevant tuition course. Application fees are recognised as income in the period of application.

Interest income is recognized using the effective interest method.

# 2.5.6 Taxation

AUKF was established as a non-profit organisation under UNMIK regulations and has been granted public benefit status. Based on the laws in force in Kosovo, it is exempt from corporate taxation and VAT.

# 2.5.7 Lease payments

Payments made under operating leases are recognised in profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognised as an integral part of the total lease expense, over the term of the lease.

# 2.5.8 Critical judgements in applying the accounting policies and key sources of estimation uncertainty

The preparation of financial statements in conformity with IFRS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

# **2.5.9** Critical judgements in applying the accounting policies and key sources of estimation uncertainty (continued)

In determining whether a provision for bad debt should be recorded, AUKF makes judgments as to whether there is any observable data indicating that there is any identified and measurable risk related to receivables.

# 2.5.10 Retirement benefit costs

AUKF makes no provision and has no obligation for employee pensions over and above the contributions paid into the Kosovo Pension Saving Trust ("KPST").

# 2.5.11 Financial assets and liabilities

# (i) Recognition

AUKF initially recognizes financial assets and liabilities on the trade date at which it becomes a party to the contractual provisions of the instrument.

# (ii) Derecognition

AUKF derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets, if any, which is created or retained by AUKF, is recognised as a separate asset or liability.

AUKF derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire.

# (iii) Offsetting

Financial assets and liabilities are offset and the net amount is presented in the statement of financial position when, and only when, AUKF has a legal right to offset the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Income and expenses are presented on a net basis only when permitted by the accounting standards, or for gains and losses arising from a group of similar transactions.

# (iv) Measurement

Non-derivative financial instruments comprise receivables, cash and cash equivalents, and payables.

Non-derivative financial instruments are recognized initially at fair value plus any directly attributable transaction costs. Subsequent to initial recognition, non-derivative financial instruments are measured at amortized cost.

Cash and cash equivalents comprise cash and short term highly liquid investments with maturities of three months or less and are subject to an insignificant risk of changes in values.

### 2.5.11 Financial assets and liabilities (continued)

#### (v) Impairment (continued)

At each reporting date AUKF assesses whether there is objective evidence that financial assets not carried at fair value through profit or loss are impaired. Financial assets are impaired when objective evidence demonstrates that a loss event has occurred after the initial recognition of the asset, and that the loss event has an impact on the future cash flows on the asset that can be estimated reliably.

AUKF considers evidence of impairment at both a specific asset and collective level. All individually significant financial assets are assessed for specific impairment. All significant assets found not to be specifically impaired are then collectively assessed for any impairment that has been incurred but not yet identified. Assets that are not individually significant are then collectively assessed for impairment by grouping together financial assets with similar risk characteristics.

Impairment losses on financial assets carried at amortised cost are measured as the difference between the carrying amount of the financial assets and the present value of estimated cash flows discounted at the assets' original effective interest rate. Losses are recognised in surplus or deficit and reflected in an allowance account against receivables.

When a subsequent event causes the amount of impairment loss to decrease, the impairment loss is reversed through surplus or deficit.

# 2.5.12 Scholarship fund

AUKF is the custodian of various scholarship funds provided by governmental and non-governmental organisations. The funds are awarded to students qualifying for scholarships under the criteria set out by the various donor organisations.

# 6. DEPOSITS WITH AUKF - NY

American University in Kosovo Foundation Inc., a New York, non-profit charitable foundation (AUKF-NY) was formed for the purposes of contributing to the advancement of education and science through soliciting the support and contribution of the general public, as well as private, public, governmental and non-governmental organizations for the establishment, operation and management of an American University in Kosovo. AUKF-NY provides technical assistance to AUKF in the form of recruiting and employing American and other qualified international staff to deliver programs at the AUKF through American University in Kosovo Foundation International (Kosovo), which is a separate legal entity from AUKF. During the year ended June 30, 2012, EUR 304,319 (2011: EUR 310,864) were provided by AUKF NY for such international technical assistance services.

Based on the agreement dated January 6, 2009 all the billings are on an actual cost basis and no surplus is charged between the entities. Deposits with AUKF-NY in the amount of EUR 779,061 as at 30 June 2012 (30 June 2011: EUR 677,903) represent the cash transferred to AUKF-NY during 2011/12 in excess of amounts transferred for expenditures.

# 7. SHORT TERM INVESTMENTS

Short term investments represent deposits with flexi accounts held at local banks in Kosovo with effective interest rate of 1.2% - 3.0% p.a. (2011: 3.0% p.a.).

# **17. RENT EXPENSE**

As discussed in Note 2.5.1, AUKF is provided by the Ministry of Education, Science and Technology a building owned by the Municipality of Pristina on a rent-free and tax-free basis for a period of 10 years. This resource has been treated as a government grant that compensates AUKF for expenses they would have incurred to rent this property and is recognised in profit or loss at the fair value as an offset to the related expense on a systematic basis in the same periods in which the expenses are recognized. The fair value of the government grant and the offsetting corresponding expense recognized for the twelve month period ended 30 June 2012 under Rent expense is EUR 119,937 (12 month period ended 30 June 2011: EUR 119,937).

# **18.** ACADEMIC CONSULTING FEES

This fee represents amounts paid to the Rochester Institute of Technology ("RIT"), a United States education corporation for undergraduate and graduate programs. These fees are in accordance with the terms of an agreement dated September 25, 2003 between AUKF and RIT for the provision of experts and certain specific educational services by RIT to AUKF.

# **19. TDI DIRECT COST**

	650,353	2,641,465

Teach ECDL Project expenses include the TDI costs directly attributable to the agreement with the Ministry of Education Science and Technology for the provision of the ECDL Project for computer skills training of public school teachers.

# 20. RELATED PARTY DISCLOSURE

For the purposes of these financial statements, parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions as defined by IAS 24 "Related Party Disclosures". In considering each possible related party relationship, attention is directed to the substance of the relationship, not merely the legal form.

Related parties include AUKF – NY, Board of Trustees and key management. Transactions with key management personnel are summarized below, while for transactions with AUKF-NY refer to *Note 6*.

	Year ended	Year ended
	June 30,	June 30,
	2012	2011
	(in EUR)	(in EUR)
Key management personnel compensation	128,400	136,900

The remuneration of the President is determined by the Board of Directors having regard to the performance of the individual and market trends.

Grant income includes an amount of EUR 107,055 donated by members of AUKF Board of Trustees.

# 21. GERMIA CAMPUS PREMISES

Pursuant to a Memorandum of Understanding signed between AUKF and the Ministry of Education, Science and Technology of Kosova, formalised by a contract between AUKF and the Municipality of Prishtina, AUKF will have the use of the "Germia Campus" educational facility for a period of ten years commencing from July 1, 2005 with the possibility of renewal after the expiry of this term. The contract specifies that AUKF will have use of the site on a rent-free and tax-free status during this period.

# 21. GERMIA CAMPUS PREMISES (CONTINUED)

The renovation and reconstruction of the "Germia Campus" was carried out by Mabetex Corporation acting on a donor basis, commencing in February 2005 and completed in October 2005. Since the project work was performed on a donor basis and the contract between AUKF and the Municipality of Prishtina specifies that such renovations shall remain the property of the owner, no related costs are capitalised by AUKF except for those costs incurred by AUKF itself as explained under Note 3.

# 22. FINANCIAL INSTRUMENTS

# (a) Credit risk

#### (i) Exposure to credit risk

Credit risk is the risk of financial loss to AUKF if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the AUKF's receivables and from customers.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	June 30, 2012	June 30, 2011
	(in EUR)	(in EUR)
Accounts receivable	726,876	902,297
Deposits with AUKF-NY	779,061	677,903
Short term investments	32,638	18,419
Cash and bank balances	199,132	299,058
As at June 30	1,737,707	1,897, 678

# (ii) Management of credit risk

AUKF is exposed to credit risk in respect of tuition fees receivable from its students. AUKF manages its credit risk by continuously monitoring the collectability of its receivables.

# (b) Liquidity risk

Liquidity risk is the risk that the Organisation will encounter difficulty in meeting obligations from its financial liabilities.

The following are the contractual maturities of financial liabilities excluding the impact of netting agreements:

	June 30, 2012 Pay-down expected to be made within 12 months (EUR)	June 30, 2011 Pay-down expected to be made within 12 months (EUR)
Accounts payable and accrued expenses As at June 30	604,871 604,871	634,922 634,922

# 22. FINANCIAL INSTRUMENTS (CONTINUED)

#### Management of liquidity risk

Liquidity risk is the risk that the AUKF will not be able to meet its financial obligations as they fall due. The University's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the organization's reputation.

AUKF monitors its liquidity on a periodic basis in order to manage its obligations as and when they become due.

The following are the contractual maturities of financial assets and liabilities including interest payments as at 30 June 2012 and 2011:

30-Jun-12	Carrying Amounts	6 Months or less	6-12 months	1-5 Years	More than 5 Years

# 22. FINANCIAL INSTRUMENTS (CONTINUED)

# (c) Foreign currency risk

Transactions in foreign currencies are translated to the AUKF's functional currency at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are retranslated to the functional currency at the exchange rate at that date. The foreign currency gain or loss on monetary items is the difference between amortised cost in the functional currency at the beginning of the period, adjusted for effective interest and payments during the period, and the amortised cost in foreign currency translated at the exchange rate at the end of the period.

The AUKF's exposure to foreign currency risk is as follows based on notional amounts:

	June 3	0, 2012	June 30, 2011	
	(in EUR)	(in USD)	(in EUR)	(in USD)
Accounts receivable	726,876	-	902,298	-
Deposits with AUKF-NY	779,061	-	677,903	-
Short term investments	32,638	-	18,419	-
Cash and bank balances	133,378	65,754	271,926	27,132
	1,671,953		1,870,546	
Accounts payable and accrued expenses	(604,872)	-	(634,922)	-
As at June 30	1,067,081	65,754	1,235,624	27,132

AUKF incurs foreign currency risk on cash and cash equivalents that are denominated in a currency other than EUR. The currency giving rise to this risk is the USD. AUKF does not use any instruments to hedge its foreign currency risk.

# (d) Interest rate risk

AUKF generates only interest income from deposits. The interest income presented in the profit or loss includes interest on financial assets.

Below is the analysis of financial assets and liabilities:

### (e) Fair value of financial instruments

The carrying value of all financial assets and liabilities reflected in the financial statements approximates their fair values.

# 23. CONTINGENCIES AND COMMITMENTS

AUK has entered into lease commitments for TDI offices. Minimum lease commitments for the year ended June 30, 2012 and June 30, 2011 are composed as follows:

	June 30, 2012 (in EUR)	June 30, 2011 (in EUR)
Operating commitments of rent expenses:		
Not longer than one year	53,846	59,846
Total commitments	53,846	55,846

There are no other contingencies as at the year end.

# 24. EVENTS AFTER THE REPORTING DATE

There are no events after the reporting date that would require either adjustments or additional disclosures in the financial statements.
