

Impact on Withdrawals on Scholarships

The following conditions apply to all students who receive any form of award from the RIT Kosovo (A.U.K). The conditions do not apply to any form of scholarship or aid award received from a third party institution or private individual.

- If at any point during a student's enrollment at RIT Kosovo (A.U.K), the student accrues one (1) "W" on the official RIT transcript as a result of withdrawing from a course, the student's scholarship will remain unaffected. Furthermore, the student will remain eligible to apply for any future aid programs offered by RIT Kosovo (A.U.K).
- If at any point during a student's enrollment at RIT Kosovo (A.U.K), the student accrues two (2) "Ws" on his or her official RIT transcript as a result of withdrawing from multiple courses, the student's scholarship will be decreased by exactly half the original amount awarded for the remainder of the student's enrollment at RIT Kosovo (A.U.K). Furthermore, the student will forfeit his or her eligibility to apply for any future aid programs offered by RIT Kosovo (A.U.K). However, if the student is the recipient of a multi-year scholarship award, the student will continue to receive funding (reduced by half) as stipulated in the original award for subsequent years.
- If at any point during a student's enrollment at RIT Kosovo (A.U.K), the student accrues three (3) "Ws" on his or her official RIT transcript as a result of withdrawing from multiple courses, the student's scholarship will be terminated and he or she will no longer receive any financial support from RIT Kosovo (A.U.K). Furthermore, the student will forfeit his or her eligibility to apply for any future aid programs offered by RIT Kosovo (A.U.K).
