

ROAR & SOAR

RIT | College of
Liberal Arts

8 Career Fair Week

Successful students take advantage of the RIT Career Fair. Even if you're not looking for a job this year, you can still participate so you're prepared for the future.

3 Ways to ROAR this Week:

Career Fair

- **Vibe check the Career Fair.** Go check it out! Your first one is just a vibe check – see the companies, walk the field house, feel it out. This way your next time will be easier.
- **Suit Up!** You'll see a lot of students in suits this week! Don't be alarmed. It's a Career Fair tradition. Even if you're going to just explore, it's important you dress professionally when meeting with employers. Need some professional drip? RIT's Bern's Closet has free clothes. Check it out.

Career
Connect

- **Explore Career Connect.** This is also a great time to get more familiar with RIT's portal to job postings, employers, and career training. Log into Career Connect this week to set up your profile, upload a resume, and see how it all works.
