

ROAR & SOAR

RIT | College of
Liberal Arts

Prepare for Spring Classes

Successful students plan ahead for spring semester. Talk to your advisors and check out SIS now, before registration begins, so you can be fully prepared.

3 Ways to ROAR this Week:

- **Meet with your academic advisor.** Schedule an appointment now before all the time slots fill up. Your advisor will help you identify courses to keep you on track for spring semester. Make an appointment via Starfish.
- **Build your spring schedule in SIS.** Your "shopping cart" opens Oct. 20. This means you can go into SIS and start loading the spring courses you want into your cart. Get this ready ahead of time so that when your enrollment appointment begins, you just have to hit submit.
- **Check SIS for your enrollment appointment.** Your enrollment appointment will be posted in SIS this week. Here's how:
 - Log into SIS
 - Go to Enroll & Search
 - Click Enrollment Appointments on the left navigation bar
 - Click the link for the Spring Semester
 - View your Enrollment Appointment: Add this date to your calendar because it's the date when you can start actually enrolling in your classes for next semester.

◀ Six steps to enroll.

◀ Make an appointment with your advisor.

Calendar Spotlights

MONDAY, OCT. 20, Shopping Carts Open

Go into SIS and start loading the spring courses you want into your shopping cart. Get this ready before your enrollment appointment.
