- Foodlink requires that the allergen be documented to qualify for this lunch.

❖ We cannot guarantee that there is not egg, soy, or dairy in any lunch that is **not** a special diet.

At any time that the provided lunch is not approved for your child, you are required to send in a replacement or alternative food/meal for them.

☐ Only lunch from home – choosing this option means lunch will NOT be provided by Margaret's House, and the parent/guardian is responsible for sending a packed meal each day.
