WHATEVER YOUR PASSION, YOU CAN MASTER IT AT RIT.

RIT is a place where brilliant minds assemble and collaborate, a hub of innovation and creativity. It is a perfect environment in which to pursue your passion. Imagine the possibilities.
BEGIN YOUR CAREER AT RIT

Comprehensive university
RIT is a comprehensive university that includes nine academic colleges and two degree-granting entities, and offers 300+ programs in the following areas:
• Architecture
• Art, Design, Crafts, Animation, Film and Photography
• Communications, Business, and Management
• Computing and Information Sciences
• Education and Social Sciences
• Engineering and Engineering Technology
• Environmental Sciences and Sustainability
• Mathematics, Science, Health Sciences, and Imaging Science

Reputation and rankings
RIT ranks in the top 4 percent for selectivity and is considered one of America’s top comprehensive universities, as well as a “best value” university according to U.S. News & World Report. The university annually receives top recognition in Peterson’s Colleges Guide, Fiske’s Selective Guide to Colleges, and the Princeton Review’s Best Colleges Guide. A sampling of our recognition includes:

Princeton Review
• Listed in 2018 Princeton Review’s “Best 382 Colleges” and “Best Northeastern Colleges”

Forbes Magazine
• Listed in Forbes Magazine as one of America’s Best Colleges
• RIT recognized by Forbes on its 2017 list of “America’s Best Midsize Employers”

Fulbright Scholars
RIT had 40 international students from 25 countries attend the university this past year through the Fulbright Foreign Student Program.

Global Campuses
www.rit.edu/global
RIT serves as a leader and model for providing international education on its main campus in Rochester, New York, USA, and on its international campuses in China, Croatia, Dubai, and Kosovo. It maintains several degree programs in collaboration with universities worldwide, including programs in China, India, the Dominican Republic, and Peru. RIT has active partnerships with hundreds of corporations, universities, and government agencies offering a variety of opportunities for study and work abroad, collaborative research, and exchange opportunities worldwide.

RIT IS RANKED*

#5 in Computer Software and Application
#7 in Computer and Information Sciences
#9 in engineering-related fields
#10 in Management and Information Systems
#10 in Design and Applied Arts
#17 in Film, Video, and Photographic Arts

Experiential learning
Cooperative Education
www.rit.edu/oe
Experiential education is integrated into our programs through cooperative education (co-op), internships, study abroad, and research. Co-op is a full-time, paid work experience. Every year, more than 4,400 RIT students participate in co-ops around the world.

Research
www.rit.edu/research
Students at each academic level have opportunities for research in their program of study, working with faculty, business and industry, government, and nonprofit organizations. The university offers more than 50 research centers and laboratories dedicated to these research pursuits. These well-equipped, state-of-the-art facilities include a laser optics laboratory, dozens of digital photography printing stations, computerized printing presses, glass furnaces, a student-run restaurant, computer graphics and robotics labs, an observatory, and some of the most modern imaging science, microelectronic, and computer engineering facilities in the nation. Princeton Review has ranked RIT among the “Most Connected Campuses” in the country, and RIT is among a select group of universities with access to the Internet2 research network. Our Student Innovation Center showcases our students’ creative and innovative projects. Additionally, RIT is environmentally responsible. We incorporate sustainability into our curricula and facility design.
Career Services
In addition to co-op placement assistance, the Office of Career Services and Cooperative Education also provides you:
- Permanent and co-op employment search advisement
- Salary and career information
- Interview and resume preparation
- Career counseling
- Two annual university-wide career fairs, plus major-specific career fairs

International Student Services
www.rit.edu/iss
ISS works with our 2,700 international students to ensure their time at RIT is both successful and enjoyable. It is responsible for:
- International Student Orientation
- Advisement on immigration matters (e.g., maintaining status, applying for CPT or OPT)

English Language Center
www.rit.edu/elc
The center offers courses at all levels, designed to help students prepare for academic study at an American university. The center offers a 5-week and 9-week summer program, designed to help students prepare for academic study.

LIVING ON CAMPUS

Housing
www.rit.edu/housing
RIT is a safe, secure residential campus that offers residence halls, apartments, and townhouses on campus. There are also many off-campus housing options available close by.

RIT offers 23 intercollegiate men’s and women’s sports, including Division I men’s and women’s hockey. Intramural sports are popular at RIT and the outstanding recreational facilities include two ice rinks, an aquatics center, a field house, and extensive fitness facilities.

92% of those are in the U.S. in 44 different states.

3,700
paid co-op work assignments have been completed by international students over the past four years.
