WHATEVER YOUR PASSION, YOU CAN MASTER IT AT RIT.

RIT is a place where brilliant minds assemble and collaborate, a hub of innovation and creativity. It is a perfect environment in which to pursue your passion. Imagine the possibilities.
BEGIN YOUR CAREER AT RIT

Comprehensive university
RIT is a comprehensive university that includes nine academic colleges and two degree-granting entities, and offers 300+ programs in the following areas:
• Architecture
• Art, Design, Crafts, Animation, Film and Photography
• Communications, Business, and Management
• Computing and Information Sciences
• Education and Social Sciences
• Engineering and Engineering Technology
• Environmental Sciences and Sustainability
• Mathematics, Science, Health Sciences, and Imaging Science

Reputation and rankings
RIT ranks in the top 4 percent for selectivity and is considered one of America’s top comprehensive universities, as well as a “best value” university according to U.S. News & World Report. The university annually receives top recognition in Peterson’s Colleges Guide, Fiske’s Selective Guide to Colleges, and the Princeton Review’s Best Colleges Guide. A sampling of our recognition includes:

Princeton Review
• Listed in 2017 Princeton Review’s “Best 381 Colleges” and “Best Northeastern Colleges”

Forbes Magazine
• Listed in Forbes Magazine as one of America’s Best Colleges
• RIT recognized by Forbes on its 2017 list of “America’s Best Midsize Employers”

Fulbright Scholars
RIT had 40 international students from 25 countries attend the university this past year through the Fulbright Foreign Student Program.

Global Campuses
www.rit.edu/global
RIT serves as a leader and model for providing international education on its main campus in Rochester, New York, USA, and on its international campuses in China, Croatia, Dubai, and Kosovo. It maintains several degree programs in collaboration with universities worldwide, including programs in China, India, the Dominican Republic, and Peru. RIT has active partnerships with hundreds of corporations, universities, and government agencies offering a variety of opportunities for study and work abroad, collaborative research, and exchange opportunities worldwide.

RIT IS RANKED*
#5 in Computer Software and Application
#7 in Computer and Information Sciences
#9 in engineering-related fields
#10 in Management and Information Systems
#10 in Design and Applied Arts
#17 in Film, Video, and Photographic Arts

* Ranked by College Factual, the college rankings data provider for USA Today College Guide 2017.

OUR STUDENT/FACULTY RATIO:

AVERAGE CLASS SIZE:

23 STUDENTS

13:1
Experiential learning

Cooperative Education
www.rit.edu/coe
Experiential education is integrated into our programs through cooperative education (co-op), internships, study abroad, and research. Co-op is a full-time, paid work experience. Every year, more than 4,300 RIT students participate in co-ops around the world.

Research
www.rit.edu/research
Students at each academic level have opportunities for research in their program of study, working with faculty, business and industry, government, and nonprofit organizations. The university offers more than 50 research centers and laboratories dedicated to these research pursuits. These well-equipped, state-of-the-art facilities include a laser optics laboratory, dozens of digital photography printing stations, computerized printing presses, glass furnaces, a student-run restaurant, computer graphics and robotics labs, an observatory, and some of the most modern imaging science, microelectronic, and computer engineering facilities in the nation. Princeton Review has ranked RIT among the “Most Connected Campuses” in the country, and RIT is among a select group of universities with access to the Internet2® research network. Our Student Innovation Center showcases our students’ creative and innovative projects. Additionally, RIT is environmentally responsible. We incorporate sustainability into our curricula and facility design.
Career Services
In addition to co-op placement assistance, the Office of Career Services and Cooperative Education also provides you:
• Permanent and co-op employment search advisement
• Salary and career information
• Interview and resume preparation
• Career counseling
• Two annual university-wide career fairs, plus major-specific career fairs

Undergraduate Study
95.1% Outcomes Rate*
Median Salary
$61,000

Graduate Study
97.4% Outcomes Rate*
Median Salary
$69,200

Housing
www.rit.edu/housing
RIT is a safe, secure residential campus that offers residence halls, apartments, and townhouses on campus. There are also many off-campus housing options available close by.

International Student Services
www.rit.edu/iss
ISS works with our 2,700 international students to ensure their time at RIT is both successful and enjoyable. It is responsible for:
• International Student Orientation
• Advisement on immigration matters (e.g., maintaining status, applying for CPT or OPT)

English Language Center
www.rit.edu/elc
The center offers courses at all levels, designed to help students prepare for academic study at an American university. The center offers a 5-week and 9-week summer program, designed to help students prepare for academic study.

RIT offers 23 intercollegiate men’s and women’s sports, including Division I men’s and women’s hockey. Intramural sports are popular at RIT and the outstanding recreational facilities include two ice rinks, an aquatics center, a field house, and extensive fitness facilities.

*RANKED BY The Princeton Review IN THE TOP 10 FOR CAREER SERVICES

*Rankings and outcomes data are based on the University’s latest available internal and external data, consistent with both the National Center for Education Statistics and the U.S. News and World Report. For more information, please visit www.rit.edu/education.outcomes.

Outcomes rate describes the percentage of graduates who, within six months of their degree certification, have entered the workforce, enrolled for further full-time study, or are pursuing alternative plans. Alternative plans include military service, volunteer service, and those not seeking employment at this time. Based on a knowledge rate of 93.3 percent for undergraduate study and 96.4 percent for graduate study. Knowledge rate is the percent of graduates for whom RIT has verifiable information.
BACHELOR’S DEGREE PROGRAMS

Art, Design, & Crafts
- 3D Digital Design
- Ceramics
- Fine Arts Studio
- Furniture Design
- Glass
- Graphic Design
- Illustration
- Industrial Design
- Interior Design
- Medical Illustration
- Metals and Jewelry Design
- New Media Design

Business & Management
- Accounting
- Economics
- Finance
- Hospitality and Tourism Management
- International Business
- Management
- Management Information Systems
- Marketing
- New Media Marketing
- Supply Chain Management**

Communications & Digital Media
- Advertising and Public Relations
- American Sign Language–English Interpretation
- Communication
- Digital Humanities and Social Sciences
- Journalism
- Media Arts and Technology
- New Media Design
- New Media Interactive Development
- New Media Marketing

Computing & Information Sciences
- Computer Engineering Technology—Audio Option
- Computer Engineering Technology—Telecommunications Option
- Electrical Engineering—Clean and Renewable Energy Option
- Electrical Engineering—Robotics Option
- Electrical Engineering—Wireless Communications Option
- Electrical Engineering Technology—Audio Option
- Electrical Engineering Technology—Telecommunications Option
- Industrial/Mechanical Engineering Technology

Environmental Studies
- Civil Engineering Technology
- Electrical Engineering—Clean and Renewable Energy Option
- Environmental Science
- Environmental Sustainability, Health and Safety
- Mechanical Engineering—Energy and Environment Option

Health & Life Sciences
- Bioinformatics
- Biology
- Biomedical Sciences
- Biotechnology and Molecular Bioscience
- Diagnostic Medical Sonography (Ultrasound)
- Exercise Science
- Medical Illustration
- Nutrition Management
- Nutritional Sciences
- Photographic Sciences—Biomedical Photographic Communications Option
- Physician Assistant (BS/MS)
- Pre-professional (pre-med, pre-dental, pre-vet)

International and Global Studies
- Museum Studies
- Philosophy
- Political Science
- Pre-law
- Psychology
- Public Policy
- Sociology and Anthropology

Individualized Study
- Applied Arts and Sciences †

Mathematics & Physical Sciences
- Applied Mathematics
- Applied Statistics and Actuarial Science
- Biochemistry
- Chemistry
- Computational Mathematics
- Imaging Science
- Physics

Photography, Film & Animation
- Film and Animation—Animation Option
- Production Option

Exploration & Undeclared Options
- University Exploration +
- Undeclared Art and Design
- Business Exploration
- Computing Exploration
- Undeclared Crafts
- Engineering Exploration
- Undeclared Engineering Technology
- Liberal Arts Exploration
- Undeclared Photography
- Science Exploration

** Pending New York state approval
† Offered by the School of Individualized Study in the Division of Academic Affairs.
‡ Offered by the Division of Academic Affairs for students exploring programs in two or more colleges

Information is correct at time of printing.
GRADUATE DEGREE PROGRAMS

Art, Design, Crafts, Photography, Film, and Graphic Communications

- Ceramics (MFA)
- Film and Animation (MFA)
- Fine Arts Studio (MFA)
- Furniture Design (MFA)
- Glass (MFA)
- Industrial Design (MFA)
- Integrative Design (MS)**
- Media Arts and Technology (MS)
- Metals and Jewelry Design (MFA)
- Non-Toxic Printmaking (Advanced Certificate)
- Photography and Related Media (MFA)
- Print Media (MS)
- User Experience Design and Development (Advanced Certificate)*
- Visual Arts — All Grades (Art Education) (MST)
- Visual Communication Design (MFA)

Business, Management, and Communication

- Accounting (MBA, MS)
- Business Administration (MBA)
- Business Administration (Executive MBA)*
- Business Analytics (MS)**
- Communication and Digital Media (Advanced Certificate)*
- Communication and Media Technologies (MS)
- Computational Finance (MS)
- Entrepreneurship and Innovative Ventures (MS)
- Finance (MS)
- Hospitality and Tourism Management (MS)
- Human Resource Development (MS)*
- Management (MS)
- Manufacturing Leadership (MS)*
- Organizational Learning (Advanced Certificate)*
- Product Development (MS)*
- Project Management (Advanced Certificate)*
- Science, Technology and Public Policy (MS)
- Service Leadership and Innovation (Advanced Certificate, MS)*
- Workplace Learning and Instruction (Advanced Certificate)*

Computing and Information Sciences

- Big Data Analytics (Advanced Certificate)*
- Bioinformatics (MS)
- Computer Science (MS)
- Computing and Information Sciences (Ph.D.)
- Computing Security (MS)*
- Cybersecurity (Advanced Certificate)*
- Data Science (MS)*
- Game Design and Development (MS)
- Health Informatics (MS)*
- Human-Computer Interaction (MS)*
- Information Sciences and Technologies (MS)
- Network Planning and Design (Advanced Certificate)*
- Networking and Systems Administration (MS)*
- Software Engineering (MS)
- Web Development (Advanced Certificate)

Education, Humanities, and Social Sciences

- Criminal Justice (MS)
- Engineering Psychology (Advanced Certificate)
- Environmental, Health and Safety Management (MS)*
- Environmental Science (MS)
- Experimental Psychology (MS)
- School Psychology (Advanced Certificate, MS)
- Secondary Education of Students Who Are Deaf or Hard of Hearing (MS)
- Visual Arts — All Grades (Art Education) (MST)

Engineering and Related Programs

- Applied Statistics (Advanced Certificate, MS)*
- Computer Engineering (MS)
- Electrical Engineering (MS)
- Engineering (Ph.D.)
- Engineering Management (ME)
- Environmental, Health and Safety Management (MS)*
- Industrial and Systems Engineering (ME, MS)
- Lean Six Sigma (Advanced Certificate)*
- Manufacturing and Mechanical Systems Integration (MS)
- Manufacturing Leadership (MS)*
- Materials Science and Engineering (Advanced Certificate, MS)
- Mechanical Engineering (ME, MS)
- Microelectronic Engineering (MS)
- Microelectronics Manufacturing Engineering (ME)*
- Microsystems Engineering (Ph.D.)
- Packaging Science (MS)
- Product Development (MS)*
- Sustainable Engineering (ME, MS)
- Telecommunications Engineering Technology (MS)
- Vibrations (Advanced Certificate)

Environmental Studies and Sustainability

- Architecture (M.Arch.)
- Environmental, Health and Safety Management (MS)*
- Environmental Science (MS)
- Sustainable Engineering (ME, MS)
- Sustainable Systems (MS)
- Sustainability (Ph.D.)

Mathematics, Science, Health Sciences, and Imaging Science

- Applied and Computational Mathematics (MS)
- Applied Statistics (Advanced Certificate, MS)*
- Astrophysical Sciences and Technology (MS, Ph.D.)
- Bioinformatics (MS)
- Chemistry (MS)
- Color Science (MS, Ph.D.)
- Health Care Finance (Advanced Certificate)*
- Health Care Interpretation (MS)*
- Health Informatics (MS)*
- Health Systems Administration (MS)*
- Imaging Science (MS, Ph.D.)*
- Lean Six Sigma (Advanced Certificate)*
- Materials Science and Engineering (Advanced Certificate, MS)
- Mathematical Modeling (Ph.D.)
- Medical Illustration (MFA)

Professional Studies (MS)*

The Professional Studies MS is a multidisciplinary degree that enables learners to fashion a customized plan of graduate study tailored to their professional goals.

Ph.D. Programs

- Astrophysical Sciences and Technology
- Color Science
- Computing and Information Sciences
- Engineering
- Imaging Science
- Mathematical Modeling
- Microsystems Engineering
- Sustainability

*Online learning option available  **Pending NYS approval
ADMISSIONS AND FINANCIAL AID

Personalized Admissions Process
Admission to RIT is competitive, but our admission process is a personal one. Each application is reviewed holistically for strength of academic preparation and academic performance, performance on standardized tests and counselor, faculty, and/or professional recommendations.

Financial Aid and Scholarships
RIT offers a comprehensive financial aid and scholarship program consisting of merit-based scholarships, and a full range of need-based grants, loans, and campus employment programs. Last year, more than 77 percent of full-time undergraduate students received more than $300 million in financial aid.

Application Requirements

<table>
<thead>
<tr>

Graduate

- Complete online application
- Application fee of $65
- Academic documents (transcript, mark sheets, degree certificates)
- Personal statement
- Additional requirements (varies by program): GRE or GMAT, academic references, writing samples, portfolio

Learn more at www.rit.edu/grad.

Undergraduate

- Complete online application
- Application fee of $65
- Academic documents (transcripts, mark sheets, degree certificates)
- SAT or ACT scores (see table at right)
- TOEFL or IELTS
- Portfolio (for School of Art, Design or American Crafts applicants only)
