Don’t wait for the future—make it.
RIT is a place where you’ll be immersed in a vibrant community teeming with students collaborating with experts and specialists in service of big ideas and in pursuit of creative solutions.

It’s an intersection of disciplines, a launching pad for a brilliant career, and a time you’ll never forget.

It’s a unique state of mind in which the unexpected is explored and breakthroughs are right around the corner.

With the tools and space to create, discover, and innovate, ideas are going to happen.

Think it. Make it. Show it.

Are you ready?
Known around the world for excellence in science, the arts, and tech, RIT attracts diverse, ambitious, and creative students. Combined with an incredible array of outstanding academic programs, a committed and accessible faculty, sophisticated facilities, a pragmatic emphasis on experiential learning, and a dynamic student life, you can see why we’re always on to something amazing.

A Welcoming Community
With students from all 50 states and 2,700 international from more than 100 countries, RIT is a profoundly inclusive and collaborative community of engaged, socially conscious, and intellectually curious problem solvers. Embodying our commitment to diversity, more than 3,400 students of color study at RIT.

Innovative and Interdisciplinary Academics
We’re not like other schools—we see the value in crossing disciplines. RIT draws an array of designers, artists, photographers, and filmmakers on the one hand, and scientists, engineers, computing scientists, and entrepreneurs on the other. Where they meet, remarkable things happen.

Teaching Comes First
For RIT’s enthusiastic, committed faculty, students are a priority as much as teaching is a passion. They utilize their real-world experiences to enrich your learning, spark your curiosity, challenge you to grow, and inspire you to achieve.

Average class size

More than 90 minors

At RIT, we not only hope you’ll continue participating in the performing arts, we absolutely encourage it through the Performing Arts Scholarship.
**Undergraduate research** means you will conduct research assignments that your peers at other universities often don’t see until graduate school.

More than **90 minors** to complement the value of your major, including:
- African Studies
- Applied Cognitive Neuroscience
- Creative Writing
- Entrepreneurship
- Game Design and Development
- Music Performance
- Photography
- Psychology
- Theatre Arts

View the full list at [rit.edu/minors](http://rit.edu/minors).

**Academic Enrichment**
At RIT there are multiple ways to make your world-class degree even better. By enhancing your undergraduate experience, you’ll distinguish yourself from the crowd. Options include:

- **Accelerated BS/MS and 4+1 MBA programs** where you can complete your undergraduate and graduate degrees in only 5 years

- **Double majors** that allow you to create a unique degree at the intersection of two areas of study, increasing the breadth and depth of your knowledge

- **Pre-law, pre-med, pre-dent, and pre-vet advisory programs** that will help you become a competitive candidate for admission to graduate programs in law, and the medical and health professions

- The **Honors Program** enriches your academic endeavors, furthers your personal growth through leadership, promotes service in the community, provides for a heightened sense of fellowship, and helps you develop lifelong relationships and talents.

- **Study Abroad** provides exposure to our rapidly changing global society and is an invaluable addition to your education.

- **Undergraduate research** means you will conduct research assignments that your peers at other universities often don’t see until graduate school.
In-Demand Graduates
As an RIT graduate, you’ll benefit from one of the highest outcomes rates of any comprehensive university in the country. At 3,400 organizations strong, our employer network straddles the globe, and U.S. News consistently recognizes RIT’s career service office as one of the best in the nation. You’ll have exactly the expert support you need to embark on your career.

Experience is Everything
Relevant, real-world, and wide-ranging experiences place RIT students and alumni at the helm of leading change and innovation.

We’ve become experts in experiential education because we’ve seen how powerful and transformative it is. For over 100 years, the thousands of positive outcomes our students have experienced have provided ample proof of its value.

Last year 4,500 students completed 6,200 co-op assignments at nearly 3,400 companies and nonprofits. That’s countless hours of experience, relationship-building, networking, and applied learning.

In addition to co-op, you can apply your knowledge through internships, study abroad, work abroad, and undergraduate research.

You’ll graduate with a resume, real-world exposure, and the confidence that comes from knowing you’ve got what it takes to be successful. Our graduates land great jobs because they learn by doing.

For programs in business, communication, art and design, and the sciences, one or two co-op blocks is required or strongly encouraged.

For programs in computing, engineering, and engineering tech, four or more co-op blocks are required. Here is an example of a five-year program.

Sample Schedule — One or Two Co-ops

<table>
<thead>
<tr>
<th>Year</th>
<th>Fall</th>

Admissions and Financial Aid

Personalized Admission Process
The admission process at RIT is about you. Each application is reviewed for the strength of academic preparation, performance, and counselor recommendations. We seek applicants from a variety of social, cultural, economic, and ethnic backgrounds.

In addition to the application, students must pay the application fee and submit official transcripts. For Fall 2021 entry and beyond, RIT will be test optional and applicants may choose whether to report test scores to be considered with their application. The School of Art, School of Design, and Film and Animation programs also require a portfolio for admission.

Application Deadlines
Early Decision 1 – November 1*
Early Decision 2 – January 1*
Regular Decision – January 15*
* Recommended FAFSA submission deadline

Plan a Visit
Plan an on-campus or virtual visit to immerse yourself in RIT’s rich, engaging, inclusive community of captivating people. Schedule your experience at rit.edu/visit, via email at visitRIT@rit.edu or by phone at (585) 475-6736. Deaf and hard-of-hearing students may schedule a visit at www.ntid.rit.edu/visiting.

An Exceptional Value
Each year, RIT is recognized by several external guides and rankings for its value and affordability.

- U.S. News & World Report ranks RIT 33rd among national universities in its “Best Value Schools” category.

- Money Magazine listed RIT among “The 50 Colleges that Add the Most Value.”

An Outstanding Investment
RIT offers a comprehensive financial aid program consisting of merit-based scholarships, and a full range of need-based grants, loans, and campus employment.

Last year, RIT undergraduates received more than $400 million from all sources, including $200 million in RIT grants and scholarships.
