RIT | National Technical Institute for the Deaf
Department of Access Services

Working with Deaf and Hard-of-Hearing Students

Billy Windhorn, Manager NTID, CET, KGCOE & GIS

Let’s Reverse Roles

What is it like
to be a deaf student

Short video from presentation available on a separate URL.

Hearing Loss

- Don’t assume
- Each person is unique:
  - Deaf
  - Hard-of-hearing
  - Oral
  - Lip readers, residual hearing
- Mainstreamed versus Deaf schools

Access Services at RIT

- Access - it's the **LAW**!
- DAS is BIG!
- We Provide Two Live Support Services:
  - Real-Time Captioning
  - Sign Language Interpreting
- All can request notetaking
- Captioning versus notetaking

Working with Captionists & Interpreters

- What is our role?
  - We facilitate communication for ALL
- We adhere to a professional Code of Ethics
- Be aware of “process” or lag time
- Steady and slow is the way to go
- Encourage speakers to take turns when speaking
- Need course media captioned? https://wallacecenter.rit.edu/tls/mediarequest/login
- Learn **how** to turn captions on for media
- Student presentations with audio should be captioned

Working with Captionists & Interpreters

- Use specific references and labels
- Spell words we might not know
- MyCourses
- Changing lesson plans? Let us know
- Talk directly to your student, not to us
- Problems/Concerns: Let us know
- We are here to support YOU and our students
- Need help? Just ask us! ☺

Notetakers

- Are students enrolled in your class
- There are 500+ student notetakers on our payroll
- We hire, train and pay them $15 per hour
- We require a 3.0 GPA
- Notes (& transcripts) are uploaded to our website 24 hours
- Share your feedback with us
- It’s a tough job
- No pay for exams or canceled classes

DAS Website: myAccess.rit.edu
