

Working with Deaf and Hard-of-Hearing Students & other Colleagues (Part 2)

*Stacey Davis, Director of
Cross-Registered Academic Services,
Principal Lecturer*

Deaf Students at RIT

- ▶ NTID's primary mission is to promote the employment of persons who are deaf by providing technical and professional education.
- ▶ NTID grants AOS/AAS/AS and MS degrees, and recently added some BS programs.
- ▶ NTID's secondary mission is to prepare professionals in fields related to deafness.

Deaf Students at RIT

- ▶ Deaf students who attend the other colleges at RIT are called **Cross-Registered** or **NTID-Supported**. They can be direct 'admits' to those colleges or come from an A+B program.
- ▶ There are currently 430 Cross-Registered and 371 NTID undergraduates (and 174 BS-level students) on campus.
- ▶ There are 65 deaf graduate students across other colleges and 75 graduate students in NTID programs.

Academic Support

- **RIT/NTID Support Coordinators:**

- Work closely with DAS (access services)
- Liaise with faculty and staff including your student's RIT Primary Academic Advisor
- Manage Tutoring Assignments for Support Faculty
- Provide tutoring to students
- Provide classroom/laboratory instruction
- Make referrals to other Support Coordinators/Tutors for non-major courses
- Work with NTID Counselors

myCourses and notes

■ myCourses

- Regular Access Service providers will be added to your roster as **Access Services**
- Tutors assigned to your class will be added as **Support Staff**
- A tutor may reach out mid-semester for access, please add them if they do.

■ Notes

- Tutors have access to your notes/captioning transcripts in myaccess.rit.edu, you do too!

DeafTEC

deaftec.org

- **Great resources for:**
 - Teaching & Learning
 - STEM Employment
 - Projects & Programs
 - Parents & Students

- **Offer online courses**

Contact Us

This site contains information intended to provide instructors with classroom teaching strategies that foster collaborative learning among deaf, hard-of-hearing, and hearing students. Additionally, this site provides valuable resources to assist faculty in finding answers to questions they might have when working with deaf and hard-of-hearing students in and outside of the classroom.
