

**POSTER SESSION: PRESENTER(S) INFORMATION SHEET**

**Name of Presenter:** Wendy A. Dannels

**Professional Affiliation:** National Technical Institute for the Deaf

**Mailing Address:** 52 Lomb Memorial Drive LBJ-1278, Department of Engineering Studies, Rochester,  
NY 14623

**Phone:** 585-286-4572 (videophone)

**Email:** w.dannels@rit.edu

**Presentation Mode of Communication:** American Sign Language

**Name of Co-Presenter(s):** Matthew Marshall (tentative)

**Professional Affiliation:** Rochester Institute of Technology

**Mailing Address:** 81 Lomb Memorial Drive, Department of Industrial and Systems Engineering,  
Rochester, NY 14623

**Phone:** 585-475-7260

**Email:** mmmeie@rit.edu

**Presentation Mode of Communication:** Spoken English

**Title of Proposed Presentation:**

Integration of experiential learning to develop problem solving skills in deaf and hard of hearing STEM students

**Type of Session Requested:** Poster Session

**Poster Session Presentation Title**

Integration of experiential learning to develop problem solving skills in deaf and hard of hearing STEM students

**Poster Session Presentation Abstract**

We present an experiential approach to improving problem-solving skills in DHH students. Students utilize a highly structured methodology adapted from industry to step through a series of problem-solving case studies. Students work on teams within a state-of-the-art laboratory that simulates real-life engineering problems.
