Dear Colleague,

During the 2005 Instructional Technology and Education of the Deaf Symposium, student work from PEN partner institutions was displayed in the NTID Dyer Arts Center. The exhibition was very well received and we decided to develop a calendar of selected works by student exhibitors. The resulting calendar is indicative of the talent and creativity of the students who attend PEN-International partner institutions.

We are sending this calendar to friends of PEN-International as a holiday greeting. It is our way of saying thank you for your assistance and support as we conclude our first five years. We are particularly indebted to The Nippon Foundation of Japan for funding our efforts since 2001 and we are very grateful that they have agreed to support PEN-International for another five years.

We hope that you enjoy the PEN-International 2006 Calendar.
