Monroe Community College (afternoon of September 26)	11%

What did you enjoy the most about the three-day training?

- In general, the programs within 3 days are useful and impressive.
- The combination between lectures and tours around the school is very necessary.
- Have chances to observe how the school operates and learn new experience in organizing services for deaf people.
- The lectures and tour inside a classroom.
- I enjoyed the new knowledge and the working attitude/ environment of the colleges/ supporters/ presenters.
- Attending workshops and class observations.

How could any of the workshops have been improved?

- Perfect.
- The workshops have been perfect.
- Everything is great.
- Provide materials the day before the presentation.
- Provide materials in Vietnamese.
- Provide materials in Vietnamese besides English.

What topics should be presented in future, follow-up training?

- The organization of different programs in the school.
- The evaluation of programs that are applying in NTID, whether a specific program is good or need improvement.
- Need a section in preparing the materials and how to organize, manage a school for the deaf.
- Need a specific lecture about organizing and providing services for deaf people both in school and society.
- Maybe the workshop on strategic planning and research.
- General picture of higher education for deaf students in the whole country of U.S.

Thank you very much for your participation and your feedback.

Do you have any other comments or feedback?

- Thank you very much.
- I'm fully grateful to the supports and assistances, as well as information sharing by the teams from RIT, NTID, PEN, and the MCC. Thank you much for all!
- No (2)
- Everything is good. Thank you very much.
- No. Thank you.

Thank you very much for your participation and your feedback.
