

National Technical Institute for the Deaf Math Competition for Deaf and Hard-of-Hearing Students

Social Media Conduct Agreement Form

Dear Parents, Guardians, School Faculty and Staff:

As the world of social media and social networking continues to evolve, the Math Competition team at RIT/NTID wants to ensure we provide safe and secure access to these platforms for both our student participants, coaches, school faculty/staff, and spectators cheering from afar!

Our goal is to ensure social networking platforms (in this case, Facebook, Instagram and Snapchat) are utilized for the weekend's informational and educational purposes, and under the directive of fostering a community and a steady stream of information. Videos and pictures of students, coaches, parents, volunteers, the environment, and the achievements of the individuals and teams will be posted on our accounts.

To keep abreast about the 2023 Math Competition, you can find us at:

Facebook: www.facebook.com/ntidmathcompetition

Instagram: @NTIDYouthProgram

We ask that you share with your child/student our social media presence and encourage them to connect with us!

We also ask that you share the following:

- All participants will be respectful in their postings and comments. Inappropriate language, personal insults, profanity, spam, racist, sexist or discriminatory remarks, or threatening comments will not be tolerated.
- No student, or other participant, may include any information on the site that could compromise the safety of him/herself, or other community members.
- If the student participant is under the age of 13 and is active on our social media accounts, we are legally obligated to report the student to the social networking site, as they have policies that state account users cannot be under the age of 13.
