

## Illinois STEM Week

**June 24-29, 2023**

A one-week program for qualified deaf and hard-of-hearing college-bound students from the Illinois region.

**The Illinois STEM Week provides opportunities for deaf and hard-of-hearing college-bound students from the Illinois region to gain experience and explore their career interests in STEM fields.**

**As part of this program, you will:**

- Get hands-on experience in technology and specialized skills
- Learn more about what your interests are as you look toward a career
- Join fun activities and make new friends from all over the region!
- Have fun!

**You will have an opportunity to:**

- Learn more about computers in a programming workshop
- Participate in unique and interesting engineering challenges
- Investigate a mock crime scene
- Explore microbiology and the world of microorganisms

**You'll work with career counselors and faculty in small group settings to:**

- Determine your interests in careers, specifically Science, Technology, Engineering, and Math (STEM) careers.
- Develop decision-making skills
- Build confidence and develop personal awareness
- Develop leadership skills and independence
