Eligibility Requirements for Scholarship Awards

1. Tenured Scholarship Award

- This award recognizes NTID faculty members who have demonstrated an outstanding track record of academic scholarship directly involving students over a period of at least three years while at NTID.
- In accordance with the Trustees Scholarship Award, it must be scholarship which “is integral to, and not separated from, all aspects of a student's educational experience at RIT” (Category of One University: RIT Strategic Plan for 2005-2015, p. 8) and which fits within one or more of the following classifications: teaching/pedagogy, application, integration, or discovery.”
- Must be tenured.
- Must be a full-time employee.
- Candidates who already received the NTID Pre-Tenure Scholarship award are eligible.

The recipient of this award will be formally nominated for the RIT-wide Trustees Scholarship Award by the NTID Selection Committee.

2. Pre-tenure Scholarship Award

- This award recognizes NTID faculty members who have demonstrated an outstanding track record of academic scholarship directly involving students over a period of at least two years while at NTID.
- In accordance with the Trustees Scholarship Award, it must be scholarship which “is integral to, and not separated from, all aspects of a student's educational experience at RIT” (Category of One University: RIT Strategic Plan for 2005-2015, p. 8) and “which fits within one or more of the following classifications: teaching/pedagogy, application, integration, or discovery.”
- Nominees must have completed at least two years at NTID by June 30th of the year in which the award is given.
- Must be tenure-track.
- Must be a full-time employee.
- The candidate can win this award only once.
