Rochester Institute of Technology AMS » National Technical Institute for the Deaf » ASL and Interpreting Education **ASL-English Interpretation BS Program**

2019-2020 Assessment Cycle Assessment Plan

Mission Statement

A strong commitment to American Sign Language and the culture of Deaf people guides the department. American Sign Language and Interpreting Education (ASLIE) provides a rigorous program of study to a diverse group of learners. The goal of ASLIE faculty is to provide excellence in the areas of instruction of American Sign Language as well as in the discipline of English/American Sign Language interpretation. The faculty is committed to maintaining and cultivating innovative and high standards of student-centered instruction through scholarship and experiential learning.
