FINAL COURSE GRADE DISPUTE COMMITTEE AY26-27

Charge:

The NTID Final Course Grade Dispute Committee exists to help students and faculty resolve disagreements regarding final course grades. This ad hoc committee also hears grade disputes resulting from alleged breaches of academic honesty, after the NTID Academic Integrity Committee (AIC) has heard these cases. The membership is formed by NTID's Associate Dean for Academic Administration on a case-by-case basis, drawing from the faculty membership of the NTID Academic Integrity Committee. The committee's work will be guided by the processes outlined in the RIT policy D17.0, which can be found at: https://www.rit.edu/academicaffairs/policiesmanual/d170 .
