

NTID CURRICULUM COMMITTEE AY15-16				
Charge: The NTID Curriculum Committee (NCC) is generally responsible for ensuring that the principles as adopted by the faculty of NTID as basic to all curriculum actions are adhered to. In particular, the NCC is required to review: course additions, course modifications, course deletions, program additions, program modifications and program discontinuance, and certificate additions and modifications. This is done in concert with each of the academic departments and the VP/Dean's Office from both a disciplinary and inter-disciplinary perspective. The NCC looks at curriculum development from a college-university wide perspective (anticipating the requirements of the Institute Curriculum Committee (ICC) and New York State Education Department) and serves as a feasibility review panel for the VP/Dean. [Elected three-year term]				
Committee Composition DGs decided as of Feb. 15 for election	Faculty/Staff Representative	Office/Email	Voting Member?	Term Ending
Group 1 –Business Studies	Charlotte Thoms, Chair	LBJ-2757/cltnbt	Yes	2016 (serving last year for John-Allen Payne)
