

World of Wonder in Science

seminar series featuring

Jess Cuculick, Ed.D.

Dr. Jess Cuculick, '98, '02 is an associate professor of the Department of Liberal Studies at the college of NTID. Dr. Cuculick coordinates the Applied Liberal Arts Associate degree program and is the Professional Development Director for the Rochester Bridges to the Doctorate program (www.deafscientists.com) which is housed in the NTID's Center on Cognition and Language (NCCL). She is also the co-director for the Deaf health literacy project. In the past, Dr. Cuculick has been involved with community-based participatory research (CBPR) with the National Center for Deaf Health Research (NCDHR) at the University of Rochester, such as breast feeding and cardiovascular health perspectives in the Deaf community.
