- 9.60 Discussion on corrections on October 18, 2016 minutes.
- 9.60.a Change 9.54 to read: From the recommendations provided by Bonnie, each person will add to 9.52. This will be sent to all NTID.
- 9.60.b Change 9.54.a to read: The purpose is to use a post-positivism theory to collect both qualitative and quantitative data by survey.
- 9.60.c Change 9.55 to read: NFC needs to make an argument based on years of service (possibly 3 years)
- 9.61 There are three tasks the committee members are to complete before this Friday
- a. Contact the 15 members to request they attend the meeting next week. Stress the urgency of the meeting.
 - b. Campbell will start a google survey for the members to add their thoughts. These survey questions will be brought to the meeting next week. Nothing will be shared over the rit.edu email site.
 - c. The chair will send a request to Dr. Buckley for a scribe. The members were emphatic regarding the chair taking minutes and chairing simultaneously.
- 9.61 The dropdown menu will include 1. Teaching, 2. Research, 3. Academic administration, and other academically-related duties. There will also be a range indicating percentages of NFC needs to make an argument based on years of service (possibly 3 years, on knowledge, and experience. If we err it is critical that we err on the nature of inclusion.
- 9.62 We will make a recommendation to Dr. Buckley based on the results of our survey and the responses.
- 9.63 Adjournment
