

Mission Statement

Mission Statement

The primary mission of the **National Technical Institute for the Deaf** is to provide deaf and hard-of-hearing students with outstanding state-of-the-art technical and professional education programs, complemented by a strong arts and sciences curriculum, that prepare them to live and work in the mainstream of a rapidly changing global community and enhance their lifelong learning.

Secondarily, NTID prepares professionals to work in fields related to deafness; undertakes a program of applied research designed to enhance the social, economic and educational accommodation of deaf people; and shares its knowledge and expertise through outreach and other information dissemination programs.

Measures

▼ **Communication Studies Outcome Set**

To prepare students to communicate effectively in their professional, personal and civic lives

Student Learning Outcome: 1. Students will demonstrate competency in face-to-face communication

- a. Students will choose the appropriate communication medium and level for situation.
