PARTICIPATION AND RELEASE AGREEMENT CONCERNING MINOR CHILD
(page 1 of 2)**

As the parent and/or legal guardian of _____ (the "Participant"), I give permission for Participant to participate in the _____ Explore Your Future Program _____ (the "Activity") at Rochester Institute of Technology ("RIT"). As a precondition to the Participant's involvement in the Activity, I have read the following Release Agreement (the "Agreement") and agree to its terms.

1. **Assumption of Risk.** I understand that participation in the Activity entails inherent risks, including, but not limited to, the risks described in the Activity Detail Form on the reverse side of this Release Agreement. I acknowledge that some of the Activity may be provided by independent third parties, such as transportation companies, park operators, family entertainment providers ("Providers"). These Providers are not agents of, or represented by RIT, and RIT is not liable for the negligent or otherwise wrongful acts or omissions of these third-party Providers. I have been given the chance to ask questions concerning this Activity Detail Form and all such questions have been answered to my satisfaction. Having read this form, both the Participant and I are fully aware of the risks and hazards associated with the Activity, and hereby consent to the Participant's involvement in the Activity. I voluntarily assume full responsibility for any risks of loss, property damage or personal injury, including death, that I and/or the Participant sustain arising from the Participant's involvement in the Activity, unless caused by the gross negligence or willful misconduct of RIT, its officers, trustees, agents, employees or volunteers (the "Releaseses").
2. **Liability Release.** In consideration for RIT allowing the Participant to participate in the Activity, I and the Participant agree not to sue the Releaseses and release the Releaseses from any and all liabilities, claims, demands, actions, causes of actions, costs and expenses ("Claims") of any nature whatsoever which I and/or the Participant may have arising out of any loss, damage, or injury, including death, that may be sustained by me and/or the Participant or to any property belonging to me or the Participant, arising from the Activity or while upon the premises where the Activity is being conducted regardless of how such Claims may arise and regardless of who is at fault, even if caused by the neglect or fault of Releaseses, excepting those Claims arising from the gross negligence or willful misconduct of the Releaseses.
3. **Indemnification.** I agree, to the fullest extent permitted by law, to indemnify, defend, and hold harmless the Releaseses from and against any loss, liability, damage or costs, including court costs and attorneys' fees, that Releaseses may incur arising from the Participant's involvement in the Activity, excepting those claims arising from the gross negligence or willful misconduct of the Releaseses.
4. **Warranty of Physical Fitness.** Both the Participant and I warrant that the Participant is physically fit and in a condition that will allow them to participate fully in the Activity. We understand the Releaseses have not made, nor will make, any investigation into the Participant's physical fitness or ability of the Participant to participate in the Activity, and Releaseses are relying on my warranty concerning Participant's physical condition. I maintain medical insurance that covers the Participant for accidents and illnesses while participating in this Activity. I assume full responsibility for payment of medical expenses not covered by this insurance incurred as a result of the Participant's involvement in the Activity.
5. **Emergency Medical Treatment.** I grant the Releaseses permission to authorize emergency medical treatment for the Participant, as they deem appropriate, and agree that such action by the Releaseses shall be subject to the terms of this Agreement. I understand and agree that the Releaseses assume no responsibility for any injury or damage which might arise out of or in connection with such authorized emergency medical treatment.
6. **Behavioral Expectations.** I and the Participant understand that participation in the Activity requires adherence to the behavioral expectations and rules of the Activity. These expectations and rules will be conveyed to the Participant during the Activity and are subject to change. Failure to comply with these expectations and rules will result in a dismissal from the Activity. Any dismissal from the Activity as a result of my or the Participant's failure to adhere to the behavioral expectations shall not entitle me or the Participant to any refund, full or partial.
7. **Talent Release.** I grant to RIT the absolute and irrevocable right and unrestricted permission to use, reproduce, broadcast, telecast, publish, present and display the name, likeness, features, voice, identity, resemblance, quotations or photographs of Participant while engaged in the Activity. I agree that neither I nor the Participant is entitled to any compensation for the use of the Participant's name, likeness, features, voice, identity, resemblance, quotations or photographs whether used for illustration, promotion, art, editorial, advertising, trade, or any other purpose.

**ROCHESTER INSTITUTE OF TECHNOLOGY (RIT) SUMMER PROGRAM

(page 2 of 2)**

I agree that this Agreement and any claim arising from participation in the Activity shall be construed in accordance with the laws of the State of New York, without regard to its conflict of laws provision. The courts in Monroe County shall be the forum for any lawsuits arising from the Activity or incident to this Agreement. The terms of this Agreement shall be severable, such that if a court of competent jurisdiction holds any term to be illegal or unenforceable, the validity of the remaining portions shall not be affected thereby.

Mobile Device

Dear parents/guardians:

RIT/NTID strives to ensure that your children have a high-quality immersive experience while with us at Explore Your Future. To help ensure this, mobile devices are prohibited during Explore Your Future. We see many benefits of “unplugging,” including:

- Loss, stolen, or damage to devices minimized.
- Cyberbullying and inappropriate video posts avoided.
- Encourages students to develop/grow their social skills, independence, resilience, and problem-solving skills, as well as fostering friendships.

Please review our policy with your child. We look forward to having your child this summer!

Best,

Charles McFadden Senior
Director

Policy

There is a mobile phone/electronic device policy for all RIT/NTID Outreach programs.

As we understand students need to keep their mobile devices to and from the program (especially those who are traveling by plane, bus, or train without a parent/guardian), we will collect the students' mobile device during the first day of Explore Your Future at registration and return their devices on the final day of the program. If a student needs to use the internet, telephone, or a videophone to call home or check the status of their travel arrangements, we will arrange for this.

However, for the duration of the program, students are not permitted to possess a mobile/cell phone or any other electronic device for any reason on campus. Any student violating this policy will have their mobile/cell phone taken away until the last day of the program.

NOTE: If a mobile/cell phone is taken away, we will contact the parent/guardians to share the situation, and then lock it up for safekeeping until the end of the program.

If a device other than a mobile/cell phone is confiscated (such as an iPad, tablet, and the like), it will be shipped back, with insurance, to the students' home at the family's expense.

If you have any concerns, you can contact us at EYFInfo@rit.edu or by calling us at (585) 475-6700. By signing this document, you agree to abide by the mobile/cell phone policy of Explore Your Future.

Our goal is to ensure that NTID's social networking platforms (in this case, e.g., Facebook, Instagram, TikTok, and all other that may apply) are utilized for the week's informational and educational purposes, and under the directive of fostering a community and a steady stream of information.

Videos and pictures of the activities of campers, staff, directors, the environment, and the RIT/NTID campus will be posted.

To see what the campers at Explore Your Future are up to, follow us on social media:
