

## Social Media Engagement and Expectations

Dear Parents, Guardians and Campers,

As the world of social media and social networking continues to evolve, the Financial Wizards team at RIT/NTID wants to ensure we provide safe and secure access to NTID's social media platforms for our students, parents, guardians, and families who would be interested in the day-to-day activities of Financial Wizards!

Our goal is to ensure that NTID's social networking platforms (in this case, e.g., Facebook, Instagram, TikTok, and all other that may apply) are utilized for the week's informational and educational purposes, and under the directive of fostering a community and a steady stream of information.

Videos and pictures of the activities of campers, staff, directors, the environment, and the RIT/NTID campus will be posted.

To see what the campers at Financial Wizards are up to, follow us on social media:
